

EJS Towing Announces 24/7 Roadside Assistance Service For Customers In Laredo, TX

November 18, 2019

November 18, 2019 - PRESSADVANTAGE -

EJS Towing, a leading towing and hauling transport company providing 24/7 immediate services, has announced its improved 24/7 roadside assistance program for motorists in Laredo, TX. Stranded drivers and travelers can avail of this service scheme by calling on the company's helpline number at (956) 815-2248 which will be active 24/7.

The new 24/7 emergency service was launched with the motto "You Never Drive Alone." Carson Ferry, the company representative says, "We intend to assure that the Laredo motorists and travelers are safe on the road and will never be left deserted in case of emergencies."

The new emergency roadside service included assistance for a flat tire, empty gas tank, key lockout services, and onsite repair for simple mechanical or engine troubles. Also, customers can request for cab assistance if they are in a hurry to travel from the breakdown site. For a complete list of their services, please check out this link: <http://gmbp.in/u/5dd2c6540564b>.

The emergency services were launched with the goal of developing transport operations in Laredo, TX. In

this way, it can keep its top-five spot among the cities with the safest roads and safest motorists in America. The tow truck company provides high-quality services to ensure safety on the road and attain an elevated standard response time to car breakdowns. Their tow trucks will assist drivers that need urgent services such as refueling, tire replacement, key retrieval, and jumpstarting batteries, among others. They can also deliver an inoperative vehicle to the desired or nearest certified car shop.

All company workers have undergone a workforce training program to upgrade their skills especially in automotive technology and customer service. In this way, their tow mechanics and technicians can be more competent in handling their jobs and providing competent service.

This training program includes conducting a fast diagnosis of the cause of a car breakdown and providing the right service that will allow the vehicle to be back on road in a short period. The training also covers all brands of commercial vehicles so that their technicians are capable of handling any brand or type of vehicle. This was complemented by the use of new and modern tools and equipment to help workers perform their works. ?The workforce programs are designed to prepare our staff with different skills necessary for a specific type of job,? says Ferry.

EJS Towing is also expanding its service network to serve more customers in and around Laredo, TX. The company has augmented its tow rescue teams and assigned them in strategic areas so that they can better respond to customer location faster. Communities such as Rancho Bonito, Orvil, Rancho San Agustin, Pescadito, Ejido Miguel Aleman, Los Toritos, El Mayorazgo, and other distant neighborhoods will now be effectively served. ?With the deployment of additional standby emergency response teams, our company will decrease customer wait-time across all its service areas,? says Ferry. The complete directory of their service areas can be accessed here: <http://gmbp.in/u/5dd2c69e14ab9>.

Despite the added value in their emergency services, the company keeps its service rates affordable to make them accessible to the greater public. The tow provider adopted transparent and honest pricing. No surprising hidden fees are charged nor unnecessary service included in their quotes. Insurance and bonds, however, are mandatory components of their quotes to ensure customer protection against sub-standard service and protection of their property. As tow providers, the company has taken the initiative to take responsibility for taking care of the motoring public in Laredo, TX.

?We remain dedicated to deliver value-added services to the people in Laredo and to be of assistance, in times of need. Our new roadside assistance services emphasize developing a long-term relationship with our customers,? explains Ferry.
