

Local Company Offers Cheap Towing Services In Wichita, KS

November 22, 2019

November 22, 2019 - PRESSADVANTAGE -

Wallace Towing, based in Wichita, Kansas, has launched an affordable road assistance service. Their broad service coverage is complemented by fast response times, and each service they offer is carried out by professionals. As they continue to grow and expand, the company affirms that they will step up their efforts to make their services more accessible and convenient for their customers.

Kason Shelton, a representative of Wallace Towing, states, "We launched these services with the simple goal of offering an affordable solution to those who are stranded on the road. Whether it is due to an accident or a simple fault in the car, a breakdown is a very difficult situation that no one likes to be in. By making our services more accessible to everyone in our community, we seek to help them find a solution regardless of the extent of the trouble that they find themselves in. Despite being new in Wichita, we are experts with several years of experience in the road assistance industry, and we are ready to present our clients with true customer-oriented service."

Wallace Towing offers a premier tow truck service In Kansas, relying on a team of experts who are familiar with the most common situations that their clients find themselves in. This ensures each client's safety

throughout the towing process, as they note that a breakdown can be challenging to deal with depending on the circumstances. The expertise and excellence that their roadside assistance team displays are paired with top of the line equipment in order to facilitate any towing, regardless of the state of the client's vehicle.

"We are equipped to help you out of any situation, whether you need an easy fix, a gas refill, or a flatbed towing after an accident," states Shelton. "You can be sure that we will handle your vehicle with expertise and care as if it was our own, as we understand that the last thing you need is another setback. We ensure professional handling of your car; no scratches and no bumps. Our proven history of success across different locations speaks of our attention to detail and great customer care, and we intend to keep it that way."

Wallace Towing offers a variety of road assistance services, as they take pride in helping their clients regardless of the problems they face. These services include Wrecker Assistance, Vehicle Recovery, Tow Truck, Towing, Light Duty Towing, Wheel Lift Towing, Flatbed Towing, Medium Duty Towing, and many more. For all of the situations that they cannot address directly on the road, the company assures their clients that they can refer them, and tow their vehicles, to the nearest mechanic.

The services they offer extends to several areas across Kansas, as they have several locations to ensure fast response times and complete coverage regardless of their client's location. These areas include Wichita, Connell, Glenville, Oaklawn, Eastborough, Midland Park, Cessna, Forest Hills, Greenwich Heights, Lakeside Acres, among several other areas.

The services offered by Wallace Towing are deeply appreciated by local customers, who continue to prefer the company for all of their roadside assistance needs. They are rated as one of the best towing companies in Kansas, and the company boasts an outstanding review rating of 4.6 stars on the Google platform.

Through this space, Kristina P., says that they enjoyed an, "Amazing service! Our tow driver Curtis was fantastic. He was at our house within 10 minutes of calling and had our car, which was stuck in the middle of the road, quickly loaded up and on our driveway in record time. Curtis himself was very professional and efficient and did everything possible to ensure we only had to pay the lowest price for his services (which was under \$70). We would highly recommend Wallace's and will definitely use their company in the future."
