Another five star review on Google from Maggie Flack says that the Solana family dentists were, ?Gentle. Caring.? Her review continues, ?After waiting 10 years to go to the dentist, due to my fear of the dentist, I finally went in with bleeding gums and pain. Dr. Sandler and her staff, including Stephanie, Veronica, Alexis, Liz, and the front desk staff were very calming and soothing, and let me know I was in control of the experience. My cost and insurance cost were explained in detail. Wow! Who knew going to the dentist could be healing and kind.?
