

PhishProtection Announces \$1000 Scholarship - Second Year Running

December 02, 2019

December 02, 2019 - PRESSADVANTAGE -

San Diego, CA, Nov. 30, 2019 - PhishProtection, a leading provider of phishing prevention solutions for SMB, enterprise and universities, today announced a \$1000 scholarship for the student community.

PhishProtection.com is a service of DuoCircle LLC, an email security company designed from the ground up to provide all the features that an enterprise would expect but priced for small and medium businesses.

The scholarship is in its second year and Brad Slavin, DuoCircle's CEO said, "We are committed to the ideal that every student deserves as chance to excel and with the DuoCircle scholarship program we aim to make a difference."

"We believe that if every organization did their part to help students, we could help relieve the student debt issue in our country. This is the second continuous year for which we are running our \$1000 Scholarship Program."

Students in need of financial aid, may submit their applications from the official scholarship page. All eligibility

requirements and submission process can also be found here:

How to Apply

Applicants need to submit a 1500-word essay or 2-minute video on why email is so important.

Prompts -

- "What is the motivation for phishing and how can we address the underlying causes?"
- "What will change in the next 10 years as it relates to messaging and email?"
- "How would you teach the older generations how to spot an online scam or phishing attempt?"
- "How would you explain to a 10 year old the concept of privacy and not over sharing on the Internet?"

The winner will be notified individually and announced on 16 November 2020.
