December 09, 2019 - PRESSADVANTAGE -

Vestal Buick GMC, based in Kernersville, North Carolina, is delighted to make North Carolinians aware that December is the best month to buy GMC Trucks. Whether it is the spirit of Christmas, the delight knowing that someone is in for a special gift or other factors may remain a mystery for awhile longer, but the dealership observes that everyone wins when they browse GMC trucks during this period. Chris Vestal, speaking on behalf of the firm, says, "One of the best kept secrets is why December is the best month to bag a great deal. All I'm going to say is that we offer many dealer incentives and will do our very best to get every one of our customers the best vehicle for this month. We have made a commitment to not be undersold. Our secret delight knowing that someone is going to wake up on Christmas morning to find a present they didn't even hope for makes it all worthwhile."

Their customer's feedback reflects the care and attention they give each and every customer who comes to

them. Deane Meador, one of their most recent customers, says in her 5-Star review on Google, "Jason and the crew here were absolutely awesome! Himself and his team made buying a vehicle super stress free, and quick and easy. I will be a repeat buyer and highly recommend Jason as a salesperson. Thank you all for the great experience!"

Smart car hunters will be scanning through the range of bargains available online as well. The fact that Vestal Buick GMC is taking measures to avoid being undersold, customers will likely find them an easy choice to put them top of the list. Some of their most popular trucks can be found up to \$14,000 off the manufacturer's recommended retail price.

Those who follow the official Vestal Buick GMC Facebook page can stay abreast of their latest news and announcements. The firm participates in annual charity giving events and, this year, they are asking the whole community to make donations for the Toys For Tots program. The dealership has decided to also give back to those who donate toys and is giving away a raffle entry for every toy donated. The prize is a Panthers Prize place for the Panthers vs. Saints game on December 29th.

Visitors to their Facebook page will also spot their latest arrivals, including the 2020 GMC Sierra HD, which boasts even more in-demand technology as well as new off-road trim. Recommendations from those who have experienced the difference the dealership makes to their buying experience are also available here. Their latest recommendation comes from Jackie and Kenny Phillips, who say, "We had a great truck buying experience with our salesman, Trevor. He was patient and offered valuable input to help us make our decision, and he was also a lot of fun to work with. The team worked very hard to get us the best deal possible and seemed to be very concerned that we were happy with our decision."

The firm's recent comments on their buying incentives were featured on the KTVN news site, and they are sure to tempt the most cost conscious smart shopper and fleet manager alike. In the article, Vestal says that the GMC rebate is, "actually a great offer for anyone looking to purchase a brand new GMC model. In fact, visiting the GMC website actually shows a large number of buying incentives, for different models, and they are all very good offers. Another option, of course, is for you to simply buy your GMC truck from a dealership like ours, where we try to provide the best value for the vehicles we sell." Vestal concludes, "If you are serious about bagging a great bargain, December is the best month to do that. We won't be undersold, so to avoid disappointment, come before our inventory is sold out. I'm sure we can

find a bargain for you.?

Those looking for the best deal are encouraged to come in on a Buick Friday and enjoy a free burger from the Porterhouse Burger Co. Food Truck while they decide on the perfect buy for them.
