Costa Mesa, California based financial services agency, TLE Costa Mesa, is pleased to announce that they are expanding their services due to the cost of living across the United States increasing. The company offers financial aid to those in need, with great terms, across multiple locations in California. More information about the company and their services can be found at the following link: <https://www.titleloansexpress.com/locations/costa-mesa-title-loans/>.

A spokesperson for the company says, "It is an unfortunate fact, but across the country Americans are finding themselves unable to scrounge up the funds they need to pay for basic things like their housing. The situation in California is especially bad, you need to shell out thousands if you want to live in a comfortable apartment."

As the company points out, the cost of living in Orange County has skyrocketed. A recently opened apartment complex, not too far from the popular Diamond Jamboree shopping center and John Wayne Airport, has 388 apartments ranging in monthly price from \$2,147 for a studio, \$2,547 for a one-bedroom unit and \$4,591 for three bedrooms.

"These prices are unfair," says the company's spokesperson. "Of course it's not just housing prices that have increased. Nearly everything costs too much now, especially when compared to the incomes of the local people. It's getting very hard for people to afford to live here. As a financial services agency, we do what we can to help. The main focus of our company is, of course, to provide flexible financial aid which won't bankrupt people that are already in trouble, but we're also doing what we can to provide our services to as many people as we can."

The financial services company currently has several locations across California and it is continuing to expand further. TLE Costa Mesa's spokesperson says, "Our aim is to make sure that the residents of California have easy access to financial aid, and to that end, we're expanding our reach and opening new branches to ensure that we have maximum coverage of the state." TLE Costa Mesa currently has branches in a number of places including National City, Napa, Montclair, Hemet, Winter Haven, Kissimmee, Sierra

Vista, Weston, Yuma and more. A full list of the company's current locations, along with further information, can be found at the following link: <https://www.titleloansexpress.com/locations/>.

TLE Costa Mesa's quick and effective financial assistance has earned them praise from local residents who have made use of the company's services. On Google, the company has a rating of 4.5 out of 5 stars. In a recent review, Kurt Carrol says, "I work at Fashion Island and the money is good, but still not enough for my expensive apartment. I needed extra cash quick to pay my rent which was due in 2 days. I called TLE Costa Mesa and told them my situation. They were able to help me get approved and I was speaking to an agent about my details in less than 5 minutes. The money was sent to my account the very next day! I finally have some extra cash to help me pay for things without having a really high interest rate for borrowing the money. This place took care of me!"

In another review, Dennis Bradford shares his experiences with the company, saying, "I just moved into the Avenue of the Arts apartments here in Costa Mesa, but I didn't have enough money to pay for the deposit. I was really annoyed since I had filled out all of the paperwork for the apartment, but then was told about the high deposit. I needed cash quick to save this apartment. I heard about TLE Costa Mesa from a friend and gave them a call. They were awesome! They helped me get the cash deposited into my account quickly, so I could pay the deposit and keep the apartment!"
