December 16, 2019 - PRESSADVANTAGE -

TLE has announced that they have expanded to Cerritos, California, to help and educate people on how to get financial help during difficult times. It should be noted that the current cost of living index for Cerritos is 170, compared to the national average of 100 and 138 for California. This means that the cost of living in Cerritos is 23 percent higher compared to the California average and 70 percent higher compared the US average. Housing is a major contributor to the high cost of living in Cerritos and it is not surprising that residents sometimes find themselves in need of financial help. Fortunately, TLE Cerritos can offer some assistance as can be seen on their website at <https://www.titleloansexpress.com/locations/car-title-loans-cerritos/>.

Taking a look at the various components of cost of living, it is important to note that home prices in Cerritos are 236.0 percent higher compared to the national average. For those who rent, apartment rental rates are 131.0 percent higher compared to the national average. As for groceries, most items cost higher compared to the national average, such as ground beef, milk, pizza, and beer. A few items are a bit lower in price, such as fried chicken and potatoes. With regards to transportation, gasoline is 34.09 percent higher compared to the national average, and in terms of electricity, this is 15.0 percent higher compared to the national average. Thus, living in Cerritos is certainly more expensive compared to other US cities.

A spokesperson for TLE Cerritos says, "When hard times hit, quick financial help isn't always available in your greatest time of need. This is especially true when you're hard-pressed for luck and keep going from bank to bank for help. Sadly, not all financial institutions can fit the bill when it comes to helping your situation. If you're in need of fast cash now, we can help you get your hands on an immediate cash resource. Best of all, you can get same-day approval!"

The spokesperson explains that while banks and other financial institutions sometimes fall through and fail to provide the financial help that Cerritos residents are looking for, TLE Cerritos can help. In fact, they may even be better than banks in offering the assistance required. Specifically, it doesn't take long to get the amount that is needed, unlike with banks where it could take weeks to get approved. And unlike banks who turn

people away because of poor credit or a bad payment history, TLE will not turn down an application just because of decisions made in the past. And for those who would like to know more about TLE, they can check this out on their Yelp page at <https://www.yelp.com/biz/title-loans-express-cerritos>.

Getting financial help from TLE Cerritos consists of just three basic steps. The first step is to call them on the phone and talk with a company representative or fill out an online form. This form will need less than 5 minutes to complete. The company representative will get in touch with the customer and answer any questions that people may have. What is important to note is that the approval can be provided in less than 15 minutes.

The second step is for the customer to submit some important documents. These include the car title or pink slip, ID, proof of income, and the vehicle registration and insurance papers. The faster these documents are submitted, the faster customers will be able to receive the amount that they need.

The third and final step is for customers to get the money, which can be wired to their bank account or sent through MoneyGram. And for those who are worried about high interest rates, their rates only range between 15 to 20 percent APR, which is much lower than the industry average. Furthermore, TLE officers can set up easy and flexible payment plans for customers.

Those who are interested in getting financial help can check out the TLE Cerritos website or contact them via the telephone or through email. They can also get updated on developments regarding this company through the Press Advantage Cerritos media room.
