Uploria Pet World Launches Online Store

December 10, 2019

December 10, 2019 -
Uploria Pet World, a pet health supplements and accessories business based in Cleadon, Sunderland, UK, has announced that they have recently launched their own online store. The company, which was established four years ago, had been previously selling only on Amazon UK. Today, it is now marketing to other European countries, including France, Germany, Spain, Italy, Czech Republic, and Poland. And to further increase its outreach, it has recently launched its online store. More about this can be gleaned by visiting their new website at https://uploria-pet-accessories.com.

Carole Cole, MD for Uploria Pet World, says, ?We are an independent online pet accessories store and specialise in pet health supplements. We offer you the highest quality products at the best competitive prices. We also pride ourselves on our customer service to make sure our customers are happy. We believe that serving our customers comes with a responsibility to also actively make sure they are satisfied with their purchase. One of our many goals is to continue to innovate in ways that no others are willing to by bringing all the best products into one place we believe we can change the industry forever by focusing on our customers needs. The launching of our online store is one of the many steps that we plan to take in serving our customers better.?

Uploria Pet World offers pet health supplement products that are designed to help with the usual health issues that dogs and other pets often encounter. These include the Pet Flea Tick and Mite Spray for Dogs and Cats; Eye Drop Treatment for Dogs; Ear Drops for Treating Dogs Ear Problems; Natural Dog Skin Allergy Relief Spray; Omega Oil Capsules for Dogs and Cats; Multivitamins for Dogs and Cats; Joint Supplements for Dogs; Antibiotics for Urinary and Kidney Support for Dogs and Cats; Joint Powder for Reducing Pain and Inflammation for Dogs; Puppy Training Pads; Probiotic Supplements for Dogs; and Calming Tablets for Dogs and Cats. They also offer a 100 percent money back guarantee. All they want to ensure is that the seals are intact with original packaging and that the product is in resalable condition, after which, they will send a 100 percent refund.

Uploria Pet World also has a blog site, which people can access at https://uploria-pet-world.com. This is to provide vital information to pet lovers on how to take care of their pets. One example of a recent article is titled, ?Tips That Will Turn You Into The Leader Of The Pack?,? and was written by Carol Cole. It offers advice on how pet lovers can train their dog. Another recent article is titled, ?Preserve Your Dog?s Health With Multivitamins For Dogs?,? which was also written by Carol Cole. Giving multivitamins to a pet dog will ensure that it is getting all the necessary nutrients for good health.

Meanwhile, on their Amazon page, it can seen that their products have been received very well by customers. This is because majority of their products have high ratings. For instance, their Puppy Training Pads have already received 880 customer reviews and has an overall rating of 4.8 out of 5 stars.

A customer who gave the puppy training pads a five star rating said, ?Our poor old boy is 16, wobbly on his feet and sadly finding it hard to hold on when he wants to pee. It was so sad seeing the shame on his face if he had an accident by the back door. Now, thanks to this great product, he's much happier. We just fuss him when he uses the pads and his tail is wagging again. We don't know how long we'll be blessed with the old fella, but this great product has made him a little happier again. The pads themselves are very good, very absorbent and great value for money with a very fast delivery. Excellent supplier, will definitely use them while we can.?

Those who are interested in the pet supplements and accessories available from Uploria Pet World can also check out their Amazon page at https://www.amazon.co.uk/uploriapetworld, or visit their website, or contact them on the phone or through email. They can be contacted on the phone during office hours, from Monday to Friday, from 9:00 am to 5:00 pm.
