The company prides itself on its two decades of experience in providing commercial cleaning services. Over that time, Clean Group has worked with many of Australia?s top brands to provide eco-friendly cleaning solutions.

Siv says, ?When you hire us to clean your office, the first thing we do is come to your office for a free consultation, during which we will discuss your site?s cleaning specifications. Then we come up with a schedule that accounts for daily, weekly, fortnightly, quarterly and yearly duties that are needed to maintain the overall cleanliness and sanitation of your business. On a daily basis we?ll do things like wiping the desks and horizontal surfaces, collection of rubbish, cleaning of toilets and kitchen. The bigger tasks we?ll take care

of on a weekly or monthly basis, as needed.?

The company?s services have been used by a variety of different businesses, and their work has earned them glowing reviews. In a review found on the company?s website, Terry M. says, ?I have been changing cleaners after cleaners. I lost faith in commercial cleaning, and what it can do until I met Clean Group. Clean Group gave the rebirth in me. It was all well handled from the first meeting to the actual cleaning. They have exceptional cleaners that work very hard to maintain consistency with their job. Now, I never worry about how my office will look like the following morning. I can sleep soundly knowing that Clean Group has my back and they keep my office pretty and neat.?

On Google, all of Clean Group?s many branches have 5 star ratings. In a review for the company?s North Ryde location, Sean Flournoy says, ?Our business is using their janitorial services and they have excellent services! Their staff are fair, friendly, accountable and approachable; they're always here on time. Typical cleaning solutions will charge you on every task they failed, but together with our long-term relationship with them, when some small minor things pop out that doesn't cost them much time, they are eager to help at no cost. Really appreciate their work ethic! They ensure everything in our workplace, split area, lunch space, restrooms are neat and clean. They are good at maintenance as well. Due to their good work in our office, I understand some of our workers have them clean their homes too.?
