WE TAKE CARE OF YOU

Cub Roofing Is Providing Metal Roofing Services For Both Homes And Companies In London

December 11, 2019

December 11, 2019 - PRESSADVANTAGE -

Cub Roofing, a London, Ontario based roofing contractor, is pleased to announce that they are providing a number of different roofing services for the residents of both London, Ontario and the surrounding areas.

Bella Reynolds, a representative for Cub Roofing, says, "The roof over your head is a critical part of your defense against the elements of nature, and it is important that you maintain it well if you want to lead a safe life. If your roof has any issues, you want to be able to reach out to a reliable roofing contractor that can provide you with the right services. At Cub Roofing, we can take care of whatever roofing needs you may have."

Cub Roofing provides an extensive list of services for both residential and commercial properties. Their roofing services include: complete roof replacements, comprehensive asphalt roof installations, installation of flat membrane roofing and more. Further, Cub Roofing also provides both standard and emergency roofing repair services. The company offers other services beyond roofing, including siding installation and repairs, gutter installation and repairs, and deck construction. More information about the company's services can be found at the following link: [Cub Roofing Services](#).

Reynolds says, "Top quality roofing services require more than just the right equipment. The truth is, most of the time it's more about precision and the experience of the roofers at work. This is why when you work with Cub Roofing, you don't have anything to worry about. We have an established team of roofers with the right equipment, knowledge, and extensive experience required to perform top-level roofing services, and for more than 20 years, we've been helping both residential and commercial properties in London, Ontario with all their roofing needs."

"Every time you hire us, you get a company with a proven two-decade record," says Reynolds. "If you work with us, you are guaranteed a number of things. For a start, we start with in-depth inspections that allow us to determine the root cause of your damages, and the best way to fix them. We also provide thorough repairs and replacements, with top-quality materials and an experienced and fast team. In addition, if you're building a new property in London, Ontario, we're the best choice for your new roof installation. Cub Roofing ensures that you get top-quality roofing installations without fuss, and with improved lifespan and longevity."

Cub Roofing's commitment to excellent roofing services is reflected on the company's customer reviews. On Google, the company has a perfect rating of 5 out of 5 stars. In a recent review, Jade Pohlman shares their experience with the company, saying, "Thoroughly impressed with the quality roofing work these guys put out on our London home. The clean up after the work was great, would definitely recommend."

In another review, John Tibber says, "I cannot express how great this roofing company was! From the very start to the end. We got exactly what we wanted. I would recommend them to anyone looking for a really good roofing company here in London, Ontario."

Meanwhile, in a review found on the company's website, John C. says, "Bella and her team replaced our roof and did a fantastic job. They took their time to clean up all of the debris from the ground once the project was done. I would highly recommend them and would definitely use them again for any roofing related needs."

Reynolds says, "Our company was founded on the principles of integrity, customer satisfaction, safety, and 100% confidence through insured materials and labour. We always work to ensure that our customers get the best outcome. We get both new and repeat customers by letting our workmanship represent our brand, and deliver the best roofing services every time, we never back down from a challenge or let one ruin the results our customers want."

Those who want to learn more about Cub Roofing and the various services they provide, can find more
