Pensacola Trophy Store Highlights Eco-Friendly Products

December 10, 2019

December 10, 2019 -

Pensacola, FL- In recent times, it is hard to go without hearing about the damage being done to our planet. Damage that has been created from years of waste due to product misusage from the human population. The products used daily, such as plastic, has created a huge stress on the planet. A stress that is especially noticeable in the ocean and among the animals living there. Recently, many companies are attempting to do their part in correcting this damage by creating, buying and using eco-friendly products. A local Pensacola trophy store, Award Masters Inc. is no exception to this eco-friendly trend. This shift is a small way for companies to do their part in providing eco-friendly options for environmentally thoughtful consumers and creating less waste.

This month Awards Master Inc. is doing its part by placing eco-friendly products in the spotlight on its website. Listed among its top searches, eco-friendly gift items in Pensacola can be a great gift for employees, family, or teams during the holiday season. The eco-friendly products including grocery tote bags and spiral notebooks can also be a great idea for companies to use as promotional tools instead of plastic options that can harm the environment.

The products listed even include eco-friendly organic options. The organic options are made from organic material which can easily be reused. Some of these products include reusable drinking straws, herb eco-planters and organic cotton totes. Awards Masters Inc. is going above and beyond to provide environmentally friendly options for locals looking to distribute environmentally friendly promotional products. The eco-friendly option allows for less waste to be created while still promoting and gifting products to consumers and employees alike.

Awards Masters Inc. looks forward to serving local companies looking for an eco-friendly option in the Pensacola area. For more information give them a call at (850) 438-2124 or visit their website at: https://www.awardmastersinc.com/.
