Dr. Melissa Naidyhorski is the owner of Tranquility Dental, a dental office based in St. Louis Park, Minnesota. This St. Louis Park dentist provides individualized high-quality dental care in a gentle, comfortable and relaxing environment. She is capable in all aspects of dentistry, including implant restoration, cosmetics, and pediatrics. She enjoys working with patients of all ages to help them achieve their dental health goals. As a result, the dental office has an overall rating of 4.9 out of 5 stars on Google and mostly 5-star ratings on more than 2000 reviews on local.demandforce.com.

Suzanne O., who recently gave a 5-star review for Dr. Melissa Naidyhorski, said, "Always a pleasure to see Dr. Melissa and her staff. Everyone is friendly, always in a good mood, ready to help. My cleaning was handled with care and in a comfortable atmosphere. For years I was a fearful patient, looking for excuses to postpone or cancel visits to the dentist. Dr. Melissa and her team have changed that. Thank you."

Melissa Naidyhorski, DDS, obtained her dentistry degree from the School of Dentistry of the University of Minnesota. She received special recognition at graduation from the Minnesota Academy of Pediatric Dentistry for her skills in treating children. She also has a B.S. in Molecular Biology and Biochemistry from Bethel College. Before opening her own dental practice, she had been an associate at a group practice where she piloted cutting edge technology and materials. This served as her motivation later when she opened Tranquility Dental.

As a St. Louis Park cosmetic dentist, Dr. Melissa Naidyhorski offers various services to improve her patient's smiles. Cosmetic dental treatments offer to change the shape, size, and alignment of certain teeth; filling in spaces between teeth; improvement or correction of bites; lightening and brightening of the color of teeth; repair of broken, decayed, chipped, or cracked teeth; replacement of missing teeth; and replacement of old restorations. Cosmetic dentistry includes bridges, implants, crowns, white fillings, Invisalign, veneers, whitening, and full smile makeovers.

Tranquility Dental also offers cleanings and prevention services. These involve brushing and flossing, home

care, dental x-rays, and dental exams and cleanings. The preventive program is a collaborative effort by the dentist, patient, and dental staff in order to preserve natural teeth and the supporting structures.

With regards to children's dentistry, Tranquility Dental focuses on providing a calm and relaxing environment that will encourage children to keep coming back as they are grown from small kids to teenagers. All the treatment rooms at the dental office have been provided with satellite TV so that children will be able to enjoy their favorite program or educational show while in the dental chair. Furthermore, state-of-the-art technology allows them to provide the most up to date and best care practices known for the children.

They also offer periodontal treatment services. These include the diagnosis and treatment of gum disease. There are several indications of gum disease, such as bleeding gums, the new spacing between teeth, loose teeth, pus around the teeth and gums, persistent bad breath, red and puffy gums, receding gums, and tenderness or discomfort.

When in need of a dentist in St. Louis Park MN, residents may want to consider the services offered by Tranquility Dental. They can check out their website, contact them on the telephone, or via email. They are open on Mondays from 10:00 am to 7:00 pm; Tuesdays from 7:30 am to 4:30 pm; Wednesdays from 7:30 am to 2:30 pm; Thursdays from 7:30 am to 7:00 pm, and Fridays from 7:30 am to 12:30 pm.
