Pub Crawl Budapest Includes The Famous Anker?t Ruin Bar In Their Pub Crawl Itinerary

December 20, 2019

Budapest, Central Hungary - December 20, 2019 -
Budapest, Hungary based Pub Crawl Budapest is pleased to announce that their epic pub crawl itinerary includes Budapest?s most famous beer garden, the Anker?t Ruin Bar. Just a few steps away from the opera, it is one of the most accessible and highly rated ruin bars in the greater Budapest area.

Anker?t Ruin Bar was once an abandoned building that has since been transformed into one of Budapest?s most trendy hot spots for nightlife, attracting many guests due to its spacious courtyard. Housing some of Budapest?s hottest underground DJs, it is very popular among locals and tourists alike. The bar is built with an industrial-minimalist theme, with bare brick walls and a contemporary interior design that is perfect for relaxing after a long tiring day at work. In addition to its spacious open-air beer garden, Anker?t Ruin bar also has an indoor hall, a dance floor, a total of 4 bars, and food stalls that sell gourmet burgers and vegan pizzas.

The partying crowd at Anker?t consists of locals and expats in their mid-20s to 30s. It is also known for being gay friendly and one of the few mainstream Budapest bars that hosts regular gay-themed parties. Furthermore, the bar regularly houses events such as poetry nights and art exhibits for artists and young talents alike. Complete details about Anker't pub's schedule of events can be found on their official Facebook page.

A blog post from thebohoguide.com states, ?Anker?t is the most classy, fancy, whatever you want to call it, ruin pub in Budapest. It?s clean and slick, the lights are bright white, and the amount of decoration you find in other pubs is far from visible here. It feels a bit strange compared to the others but Anker?t is really a ruin pub you should visit when you?re in Budapest. Because it?s so clean and new, it is a nice change from the other, older bars the city has to offer. It?s a bit more calm and thus a perfect place to catch a breath during the sultry nights.?
