Industrial Plastic Supply Celebrates 45th Anniversary

December 23, 2019

December 23, 2019 -
Anaheim, CA based plastic supplier Industrial Plastic Supply, Inc. (IPS) is pleased to announce that they are celebrating their 45th anniversary. For nearly half a century, the company has been providing their customers with various types of high quality plastic that are perfect for a range of applications.

?Industrial Plastic Supply, Inc. has been servicing this industry since 1975,? says the company, ?with one of the largest inventories of in stock plastic sheet, plastic rod and plastic tube on the West Coast. This large inventory enables us to cut and ship most orders in one day or less. We support a complete line of engineering, mechanical and machine grade plastics. We also have an experienced staff of Plasticologists to assist you with questions about plastic materials and their properties. If you need a material that has special requirements, contact us today; we will be happy to find a material that may solve your problems.?

The company specializes in engineered, mechanical, high performance plastic sheets, rods and tubes. The company?s product range includes ABS, Acetal, Acrylic, Delrin and much more. All materials are available in many forms, including the aforementioned sheet, rod and tubes along with film, block, panel, bar, slab and strip. The materials are thermoformable, paintable, heat and vacuum formable, bondable and weldable. The company?s plastic products are suitable for a variety of applications including bearing, bushing, fluid sensors, chemical processing and more, and the company is ISO 9001:2015 certified. Most items are always in stock and meet NAFTA standards while also being RoHS compliant. All of the company?s Performance Plastics are made in the US. Find out more here: PEI Performance Plastic.

Industrial Plastic Supply, Inc. has been in business since 1975. Their staff boasts over 125 years of combined experience in the plastic industry, a fact that Industrial Plastic Supply?s many customers take full advantage of. ?Everyone who has worked with us knows exactly what kind of work we do,? says the company. ?Our staff is very experienced, having over a hundred years of combined experience in the industry and they definitely know their way around plastic. Whatever you need, we have it or we can make it, and you can rest assured that it will always be very high quality. We have the size and variety to meet all needs, and our 45th anniversary is testament to this ability to adapt and produce almost anything you need.?

Notably, the company supplies customers all over the state. The massive inventory Industrial Plastic Supply maintains at all times makes it possible for the company to process and ship orders within 24 hours. Once a small plastic supplier servicing small to medium sized machine shops, Industrial Plastic Supply has grown into one of the largest plastic suppliers on the West Coast, and they show no signs of slowing down their rapid growth.

Many of the company?s customers have left reviews praising Industrial Plastic Supply, Inc. on multiple platforms. One 5-Star Yelp review says, ?I've been working with IPS for the last few weeks on my small kitchen project. Nelson has gone above and beyond and has answered numerous emails, phone calls and in-person questions from me. I've been there to pick up my orders on five different occasions, and each time everyone has been prompt, courteous and helpful. Craftsmanship has been spot on as well. Would highly recommend whether you have a big project or a small one like mine.?

Another customer who needed high quality plastic says, ?I went to Industrial Plastic Supply the other day to purchase some plastic for a project. Carlos helped me on the floor and was extremely helpful! He really took the time to help me! It was nearing closing time but Carlos didn't care and still treated me as though I was a customer that came in first thing. Thank you to Carlos, my project came out great and he helped me pick out the right plastics for my needs! I highly recommend this location and will definitely be coming back in the future!?

Customers may find out more about the company and their many products at the following link: Performance Plastic Sheet. Interested parties may contact Hayden Hess of Industrial Plastic Supply, Inc. directly to make further inquiries as well.
