More information can be found at: <https://easyrentoptions.com.au/no-credit-check/>

The site explains that through Easy Rent Options, customers can get access to furniture, appliances and electronics on rental plans at affordable prices. This process then allows immediate access to the household goods that are being sought.

Richard the CEO said that, "at Easy Rent Options we try very hard to help you in every way we can. We know life and finances can sometimes be difficult, our job is to listen to your circumstances and where possible, we help improve your lifestyle. We are often asked, can you help if I have a bad credit history.?"

Richard went on to say, "In many cases, we can and do help people rebuild their credit history and even act

as a credit reference for those people as long as they make their payments on time and do not default.?

Under ERO's rules they also say that people with clearouts, bankruptcy and multiple defaults against their name may be declined at their discretion.

As with any business, they look at the risk factor and if they believe that people are being honest, they will always do their very best to help them.

As Easy Rent Options commented, ?people can all make mistakes and as long as this is not a regular occurrence and pre-meditated to rip a company off then they will always be considered.?

As part of the company policy they offer 2nd chance finance to many clients on specific products. These may include: mobile phones, laptops, TV's, furniture and household appliances. Easy Rent Options is a business name of CTR Rentals Pty Ltd which holds ABN 44 010 413 215 - Australian Credit License 388677.
