Libertyville, IL based Simply Charmed has a list of New Years Eve hostess gifts that are perfect for anyone looking to host any kind of New Year?s event, or looking for a sophisticated, quality gift to give their host. First on the company?s list is the Swarovski Crystal Magnetic Wine Charms, which are designed to complement all kinds of glasses (including champagne flutes, regular or stemless wine glasses, martini glasses and more). The charms are a thoughtful and useful gift for New Year?s Eve celebrations, Simply Charmed says, and they have proven quite popular among their customers. The charms are sold in sets of 12, with six extra pastel charms added to make it so that each set comes with 18 unique Swarovski wine charms.

According to their Amazon description, the charms are a, ?funny and clever way to mark cocktails while still being classy. Made of glass, they are very useful when trying to identify one?s glass where there are several similar or identical ones. They are perfect for stemless glasses and add a unique touch to every occasion. ?A great alternative to clanky and tacky ones, you can be proud to gift these wine charms,? the product?s Amazon page says. ?Hostesses love that these glass markers captivate their guests?they even say their guests love to choose their charm based on their birthstone, outfit or favorite color?how fun!?

Simply Charmed has a huge selection of magnetic crystal wine charms as well. They have over 50 different original charms and designs, with more being added all the time. There are also many attractive designs for holidays like Christmas, Thanksgiving and Valentine?s Day. Their Amazon description says, ?These charms are a perfect gift idea for just about everyone because of their universal design and sophistication. From business gifts, housewarming gifts, birthday gifts for wine lovers?both men and women?to client or wedding presents, we have you covered. Like all our wine charms, we provide a one year manufacturer's guarantee. Happy customers are our highest priority!?

Another possible gift from Simply Charmed?s New Years Eve hostess gift ideas on Amazon is their 2-pack of black and pink stoppers, which also serve as wine pourers. The black and pink stoppers make pouring and preserving wine a lot easier. Using them is as simple as placing it over an open bottle of wine, which makes it

easier to pour the wine while also creating a drip proof seal. Additionally, the stoppers make it possible to store an unfinished bottle of wine as the drip proof seal allows open wine bottles to be stored in almost any position with no fear of spills or leaks.

?Nothing is worse at a picnic or at the beach than tipping a bottle of wine over and having it spill all over the blanket. Problem solved. This two-in-one gadget creates a spill proof seal that will keep your wine happily contained. It also keeps out pests like fruit flies from doing the backstroke in your bottle,? says the product?s Amazon description. The stoppers work on any type or size of bottle and are made of high grade, BPA free silicone.

Simply Charmed provides a wide variety of unique, high quality charms and other items that serve as high quality gifts or offer some sort of utility, and this makes life easier for their customers. Many of Simply Charmed?s customers have also left great reviews of the company?s products. ?Simply Charmed is my go to company for fun hostess gifts,? says one such Amazon review. ?I have ordered their wine charms many times in the past and they are always a hit. I needed a hostess gift for a friend who loves her wine so I ordered the wine stopper/pourer and paired it with their wine glass markers. She loved it, as did the rest of the guests. We tested it out that night and it worked just as described. It's simple and easy to use! P.S. She especially loved the pink one!?
