

TantrumSprayTans.com Announces Palm Beach Gardens Mobile Spray Tan Services

August 10, 2015

August 10, 2015 - PRESSADVANTAGE -

TantrumSprayTans.com is now offering its premier Mobile Spray Tan services to the residents of Palm Beach Gardens, FL and the surrounding areas. The company specializes in helping its customers receive a natural looking and Ultra Violet free tan without any harmful side effects.

In the past, the idea of tanning using tanning beds or applied tans were appealing to many who wanted that instant glow but the challenges were that the tanning beds we seen as dangerous to the body and most of the applied tans left odd residue and odors that made the results less appealing. The demand for a perfect sunless tan without any harmful side effects has remained strong around the country as athletes, celebrities and affluent individuals seek to look their best without having to deal with the beach or the unpredictability of a sunburn.

This is exactly where TantrumSprayTans.com comes into play. "Our Clients want to look and feel their best at all times without having to deal with harmful UV rays or any of the negative side effects associated with traditional sunless tanning options," says Owner Melinda Dixon.

According to the website, the spray tanning services are completed by professionally trained and certified technicians to ensure a safe tanning experience. The staff are trained to apply the natural solutions leaving no tan lines, no orange coloring, no sticky residue and no odors. This is one of the reasons clients keep coming back again and again to take advantage of these high level spray tan services.

"Our customers are always amazed at how great & natural they look. Gone are the days of harmful chemicals, damaging tanning beds and boiling under the sun's UV rays. Now anyone who wants that perfect tan without any of the hassles or health risk can call us 7 days a week. We go to their location and get them looking like they just spent a week in the tropics in about 20 minutes," says Dixon.

Tantrum Mobile Spray Tans offers a safe alternative, and their highly trained and certified technicians come straight to your location.

"Often we are called in a few days before important social or professional events to help our clients attain that natural tanned look they desire. Our Mobile Spray Tan Service was created for those that choose to spray tan in the privacy of their home rather than burn under the harmful Florida sun's rays. We go straight to our clients homes and offices, apply our proprietary solution based on their particular skin type and desired color," says Melinda Dixon Owner of TantrumSprayTans.com

Located in Royal Palm Beach, FL, Tantrum Mobile Spray Tans are now available to help Palm Beach Gardens residents who want to look their best for any social or professional event.
