December 19, 2019 - PRESSADVANTAGE -

When needing reliable and affordable roadside assistance services, Murray's Towing is the premier choice for motorists in Garland, TX, according to a community poll. The towing company is recognized in the region for its several years of experience in delivering supreme services through its large fleet of service trucks strategically distributed across Cowboy Hat Capital of Texas.

According to Anthony Mayer, the spokesperson of the company, "This year, our company further intensified its efforts and presence within its service areas. More tow rescue teams were organized and installed in key locations in the city to improve our response time to customers." Among the communities that will benefit from their expansion included Forney, Wetzel, Rylie, Gribble, Little Ridge, Fate, Highland, and Fruitdale, etc. A simple ceremony was held to launch the new tow trucks with their respective crews. Garland motorists can expect similar high-quality service in these new teams that Murray's Towing is reputed for. More information can be found at <http://gmbp.in/u/5dfa6bb88e8ac>.

Roadside assistance is an important service in Garland. Around 95% of Garland households own a car.

Moreover, more than 75% of the locals traveled by driving alone, while 10% are carpooled. Less than 3% of people use public transportation. These figures demonstrate how large the market is for towing and roadside assistance. Murray's Towing has continuously expanded and improved its services to respond to these increasing demands.

Murray's Towing boasts of high-quality service that is available 24/7. They have also updated their road solutions as part of their dedication to exceptional service. They provide 30-minute response time in all communities within their service area and are available 24/7 throughout the Garland region.

A feature of their newly enhanced service included upfront pricing and honest communication. Customers are fully briefed about the issues of their broken-down vehicles and the solutions or repairs that they may require. The company makes sure that customers understand issues by explaining things using layman's terms. This will help ensure that issues are met in the most precise, practical and inexpensive way. The company provides battery jumpstarts, fuel delivery, car lockout assistance, winch out service, spare tire change and minor engine repairs. While regular maintenance is recommended to ensure a healthy lifespan for vehicles and avoid car troubles down the line, breakdowns can sometimes happen unexpectedly. When this occurs, Murray's Towing is the go-to company that stranded motorists can rely on for emergencies. Customers can call for help by dialing their hotline number at (972) 455-8998. The quick fix provided by the tow truck company is meant to ensure that vehicles can run smoothly. If a full repair needs to be carried out, they will tow the stalled vehicle to the nearest auto shop for proper mending.

Murray's Towing has developed a reputation as the leading roadside assistance service provider in Garland, TX. This title can be largely attributed to the company's strong emphasis on customer experience. They don't use pricing as a crutch to get customers. The company not only has the most competent and proficient workers in the industry, but they also have the friendliest and most responsive staff that delivers their services. Their workers know in advance what their customers need.

Joanna Reeves from Coomer Creek says, "I am so happy I called Murray's Towing when I had a flat tire at 2 at the midnight. They are truly dependable and trustworthy. I felt safe and relieved when they arrive in less than 30 minutes."

Mayer explains, "We don't focus on price reduction strategies to drive consumer engagement and loyalty. What customers need is the right experience and a fair price up-front. In this way, customers are afforded the

best services without a hefty price tag.? To learn full details about the company, click this link:
