

Christopher's Kitchen & Bath Opens New Kitchen And Bathroom Showroom In Denver

January 03, 2020

Englewood, Colorado - January 03, 2020 -

Christopher's Kitchen & Bath, an award-winning interior design company based in Denver, Colorado, is pleased to announce they have opened a new showroom at their main location. The showroom features stylish designs that are ready to be implemented and brighten the view of their client's house.

The local designers have been serving the Denver community for over 30 years. What began as a humble plumbing contractor project is now a fully fledged design company with three decades of experience, offering expert installation of all the products sold at their Denver kitchen and bathroom showroom.

Christopher V. Ardrey, VP & Founder of Christopher's Kitchen & Bath, says, "This space is designed with the latest in kitchen and bath design. It should fit perfectly into our clients' refined kitchen and bath spaces, providing a charming environment that brings forth the best possible experience and ambiance. We take great pride in putting together materials of different brands to form an inviting space that speaks to the expertise of our team as well as our familiarity with the various brands used within any given design."

The new showroom is located in the heart of Capitol Hill, with free, reserved parking to ensure visitors' peace of mind. In this space, the company features a variety of remodelling ideas that fit into various kitchen and bath spaces, ranging from high-tech German kitchen cabinetry to spaces that transmit timeless, traditional elegance. The designers maintain that their purpose is to help their clients find the best and most fitting solution to their remodelling needs, helping them come up with a design that they can love and be completely satisfied with.

Christopher's Kitchen & Bath works alongside some of the top manufacturers around the world, securing some of the finest products for all their showrooms, with a fine attention to diversity that is unmatched by any other designer in Denver. They offer custom bathroom vanities, bathroom cabinetry, and bathroom faucets from distinguished manufacturers, including Axor, American Standard, Aquabraxx, and Barclay, among many other brands.

This variety also extends to the cabinetry featured in their showrooms, as Christopher's Kitchen & Bath offers a full range of cabinetry for the kitchen, bathroom, and every space between. This includes custom kitchen cabinetry and bathroom cabinetry from Hallmark Cabinets, Bauformat, BT45 and Vern & Burl as well as vanities from renowned brands such as Ronbow, Laufen, Badea, Keuco, Strasser and more. Ardrey states, "We offer a line and style for every taste and budget, guaranteeing that our clients will find a fitting solution regardless of their needs. We work with homeowners, designers, contractors, architects, builders, and developers, so come visit us regardless of what your needs may be. We promise to have a fitting design for you, no matter what stage you're in with your remodeling project."

Aside from kitchen and bathroom spaces, the local company also offers designs for other spaces of the house, guaranteeing that their clients can find professional help and assistance to finish their remodeling projects. This includes products such as closet systems, flooring, lighting, hardware, automation, and so on.

Christopher's Kitchen & Bath has won several awards for their designs, earning a distinguished recognition in the industry for producing distinguished spaces with indisputable quality. They have been voted one of the best design companies on Houzz for five years in a row, and they have received outstanding support from the community who continue to choose the company for any of their remodeling needs.

One of their most recent testimonials, featured on Houzz, narrates the experience of Taylor D., who says, "I really cannot say enough about how impressed I am with the entire experience of working with the people at Christopher's Kitchen & Bath. First, I have an exquisite new kitchen in my house. While we encountered a few problems during the project, there was never any doubt in my mind that the project would be completed to the highest standards. More importantly, however, is just the professionalism and kindness of all the people associated with Christopher's. Working with each one of them was a great experience."

Those interested in the company's designs may visit Christopher's Kitchen & Bath Showroom in Denver or reach out to Christopher V. Ardrey for further assistance on how to hire their services.
