Verum Cosmetic Dentists would like to announce that they are offering cost effective and affordable Invisalign treatment in Coventry. Invisalign is known to be a highly effective method of straightening one?s teeth and does not require that one wear uncomfortable, unsightly braces for months or years before seeing any results. More importantly, perhaps, Verum Cosmetic Dentists is offering the service at a greatly reduced cost.

While correcting crooked teeth may be high on many people?s list of priorities, many of them are likely to be uncomfortable wearing metal braces. People with braces tend to avoid smiling, or hide their mouth when smiling or laughing. It is possible, however, to straighten one?s teeth without wearing visible braces. Invisalign uses aligners made from a clear and safe material that is nearly invisible, when placed in the mouth, to straighten the wearer?s teeth. This method of teeth straightening has seen a huge increase in popularity around the world, with over six million people using Invisalign. ?We have seen time and again how our patients experience a great boost in their self-esteem and how their outlook to life takes a major positive turn,? says Dr. Chetan Mathias of Verum Cosmetic Dentists. ?On top of offering one of the best prices for Invisalign in Coventry, we are also giving you a £500 discount, and we are not charging anything for your first appointment. To make it even more affordable, we are also offering payment plans at 0% interest! We want to help you end the gloom of hiding your smile. Fill in your details on our website or call us to get your £500 discount coupon. Call us today and book your free appointment. We aim to give you an appointment without long waiting times.?

Verum Cosmetic Dentists is part of a large group of dental clinics, which allows them to buy Invisalign at a better rate. In turn, this allows them to offer much lower rates to their patients. The Invisalign braces are

made of clear, safe and comfortable material that is custom made to fit in each patient?s mouth. When placed in the mouth, they are nearly invisible, hence the name. ?Most people would not notice them unless you told them about it,? Dr. Chetan says. The aligners can be removed when one is eating and can be easily replaced afterwards, unlike traditional braces, which can only be removed or replaced by a qualified dentist.

?At Verum Cosmetic Dentists, we have trained dentists who are Invisalign-approved,? states Dr. Chetan. ?Due to the large number of patients we have treated, we enjoy Platinum Elite Provider status with Invisalign. During your visit to our practice, you will be greeted by our welcoming staff, who seek to make your visit with us as stress-free and comfortable as possible. We listen carefully to your questions and concerns. Our main objective is to get the right treatment that is most suitable for you. This is also the reason why we offer you affordable and flexible payment options.? Read more about the dental clinic online at http://verumcosmeticdentists.co.uk/.

Verum Cosmetic Dentists offers a number of cosmetic dental services that can help correct any flaws one may see in their smile. They provide dental implants, veneers, crowns, bridges and much more. Many of their patients have left testimonials talking about the great dental service offered at Verum. One patient is quoted saying, ?Dearest Dr. Mathias and Julie. Just a note to say thank you for the professional way you both put me at ease during my implant procedure. My new teeth are great. You are a very good team. Thanks again.?

Another patient was pleased with the dentist?s accommodation of their phobia, saying, ?To Dr. Mathias, thank you very much for being so kind and understanding of my phobia where dentists are concerned. I know this is an on-going process but so far they are beginning to look great already, many thanks.?

Coventry residents in need of great dental service at a much lower rate may get in touch with Verum Cosmetic Dentists. Find the dental office at http://g.page/verumcosmeticdentists. Interested parties are welcome to contact Dr. Chetan Mathias and his staff directly to inquire further as well.
