

# Vitamins Hair Cosmetics Releases Sulfate Free Keratin Shampoo on Amazon

*January 12, 2020*

January 12, 2020 -

Vitamins Hair Cosmetics has announced that they have released their keratin shampoo sulfate free deep cleanser on Amazon, which is called the Vitamins Keratin Shampoo Hair Protein Treatment. It is for cleaning and moisturizing hair, while also adding a volumizing effect. It keeps the hair clean, smooth and sleek, and it provides gentle protection from damage by chemicals, chlorine, and humidity. It can serve as daily hydration booster for all kinds of hair, whether it is colored, color treated, fine, thin, thick, straight, bleached, or curly. It is a keratin and argan oil ultra hydrating liquid shampoo the deeply hydrates, moisturizes, and enhances hair texture, making dull and frizzy hair healthy, silky, and beautiful.

Eyal Tamir, Business Development & Export Manager for Vitamins Hair Cosmetics, says, ?We urge you to check out our newly released Vitamins Keratin Shampoo Hair Protein Treatment product. It has been found to be compatible with all hair types. Its primary purpose is for cleansing and it has been observed to have a high antioxidant effect and also high moisturizing effects. It is an advanced herbal complex that provides the desired hair shine effect while being cruelty free. It has also been proven to rehabilitate damaged, dry, bleached, colored, permed, and straightened hair.?

Eyal Tamir continues, ?Vitamins Hair Cosmetics' keratin products are enriched with a unique complex containing keratin extract, Moroccan argan oil, wheat germ (Triticum vulgare) oil and vitamin E, working together to obtain optimal results... Our keratin products are manufactured for more than 20 years and until recently sold only to top hairdressing professional boutique salons! Now these are finally available to the general public.?

Meanwhile, another keratin product from Vitamins Hair Cosmetics that complements the Vitamins Keratin Shampoo Hair Protein Treatment is a keratin hair mask for damaged hair and split ends, which is called Vitamins Keratin Hair Mask Deep Conditioner. This conditioner can repair split ends and hydrate the scalp and cuticle. It has been found that it can be used as a rich antifrizz treatment mask that will cause the hair to become smooth, soft, healthy, and shiny. It is made up of a blend of vitamin E., keratin, and Moroccan argan oil.

The Vitamins Keratin Shampoo Hair Protein Treatment product is sulfate free and is suitable for those who worry about their dry and damaged hair resulting from the sun, sea, pool, chemical treatments, and weather conditions. It can help strengthen the hair, providing it with flexibility, elasticity, and body.

Those who have already tried this keratin shampoo have made some positive comments about it. For instance, Salanika had given it a five star rating and said, ?I love it. It's a wonderful shampoo. Not only does it let my hair extra soft, shiny and smooth for weeks after applying the hair mask, it also smells amazing. I definitely recommend this for anyone looking to give over washed or dry hair.?

Meanwhile, Sarah also gave the product five stars and said, ?I love this product. I have really badly damaged hair from bleaching and found this really helped. Even when my hair was still wet after shampooing and before the conditioner it felt so much better and could run my fingers through it which I haven't done for a long time. In combination with the conditioning mask it's really made a massive difference to my hair after just one use. Will definitely purchase more.?

Another product that may also complement the Vitamins Keratin Shampoo Hair Protein Treatment is a keratin hair serum for damaged hair, known as the Vitamins Hair Serum Keratin Protein Treatment. This is designed to be used as a highly moisturizing hair protein therapy. It can promote the repair of split ends found on brittle dull hair. It is made from an herbal oils complex that serves to protect the hair from dusty and humidity. With this keratin hair serum, even frizzy or coarse hair can become healthy, smooth and have less tangles.

Those who are interested in the hair products from Vitamins Hair Cosmetics can visit Amazon or contact them through the telephone or via email.
