Malaysian Lead Generation Company BizBuildUp Elevation Announces Free Program For ARCHIDEX 2015 Participants

August 11, 2015

August 11, 2015 -
BizBuildUp Elevation, a lead generation company based in Malaysia, has announced the availability of a free service program in support of the 16th International Architecture, Interior Design & Building Exhibition (ARCHIDEX) that is taking place from 12 to 15th August 2015 at the Kuala Lumpur Convention Centre. The free online publicity program will be offered to qualified international and Malaysian architecture, interior design and building companies that are participating in the exhibition in Kuala Lumpur.

M.G. ONG, BizBuildUp Elevation?s principal consultant, says, ?There has been an increase in the number of Malaysian companies trying to profit from the domestic architecture, design and building market. However, the same cannot be said when it comes to local companies that are well-known and established globally. Our online publicity program is designed to help promising companies in the architecture, design and building trade get more exposure on the international front and attract the attention of their global target audience. This will get them started on the right path to profit from the Global Architectural Services market, an industry that?s estimated by market research firm IBISWorld to exceed US $207 billion.

This free program is available for a limited time only. Enquiries are welcome from participants in the 4-day ARCHIDEX 2015 trade fair, one that is regarded as Southeast Asia?s top multi-national exhibition in the industry as well as a leading regional networking event for architects, urban planners, interior designers, developers, academicians and students.?

For more information on the free BizBuildUp Elevation publicity program, please contact M.G. ONG at mgong@bizbuildupelevation.com. M.G. ONG can also be reached at +60 12 332 1063.
