Libertyville, IL based Simply Charmed has managed to build a very strong presence on Etsy, an online store that supplies a variety of different handmade, vintage, and customizable gifts. Simply Charmed specializes in producing unique, beautiful and high quality items that have a variety of practical uses, and their products have been found to be exactly what Etsy users are looking for. With February 14th quickly approaching, many people are looking for gifts to give their loved ones to celebrate Valentine?s Day. As such, Simply Charmed?s Etsy line-up has proven to be quite popular among those searching for gifts for similar occasions.

One of the most popular items from Simply Charmed is their magnetic wine charms. The charms come in a wide variety of unique designs, from simple colored crystals to holiday themed designs for any holiday imaginable throughout the year. They have a variety of uses, as glass decorations as well as acting as a way to tell different people?s glasses apart. The wine charms make a great gift for Valentine?s Day, with their delicate, beautiful designs being a perfect means to express affection.

?Magnetic wine charms, wine glass markers, or cocktail identifiers, whatever the name, are a fun new entertaining concept for people that are done with those charms that dangle and clink around the stems of

glasses,? says Simply Charmed. ?They are for people that like to provide a certain wow factor when entertaining, or for those that seek out fun new gifts for friends or hostesses. They work on stemless wine glasses and add a touch of elegance. Although our wine charms appear to stick to the glass, they are really sticking through the glass. One rare-earth magnet is adhered to the charm, another resides inside the glass, holding the charm securely in place. They will not come off until you take them off.? Some of the other products available from Simply Charmed include more wine related items such as wine gift bags, wine stoppers and more. They also produce coffee and tea products, like their coffee pour overs. Simply Charmed makes it a point to ensure that every product is delivered in a timely fashion and in good condition. An Etsy reviewer took note of this in their 5-Star review, stating, ?I bought these as a gift, and my friend thought they were adorable! The shipping was fast, and the charms were packaged securely. Very good purchase.?

Simply Charmed takes pride in ensuring 100% customer satisfaction every time. Their success can be seen in the many positive reviews they receive on a daily basis. ?Love these adorable magnet wine tags,? says another 5-Star review on Etsy. ?The seller was so kind to notify me they would not be delivered in time for Christmas. That was not a problem because I ordered them late and didn?t need them for Christmas. I wanted to give them as a hostess gift for a party I was attending after Christmas. In spite of my telling the seller that was ok, she still sent them priority mail so they arrived quickly! I?m so happy I bought several of these. They are darling and I will give them as hostess gifts! Thank you!? Learn more here: Simply Charmed Magnetic Wine Charms.

The magnets are super strong, and the charms do not feel or look cheap. So elegant! This shop and seller are 5 Stars. My purchase was shipped right away, and I received my order in the mail within just a few days of purchasing. Highly recommend this shop and this product. Going to buy some more for myself!?
