# Solarus Technologies Gives Back To Local Communities in New York

*January 10, 2020*

January 10, 2020 -
Solarus Technologies or Solarus Tech, offering online computer technical support in New York City, is not just soaring in the tech business but also in helping the local community.

To date, Solarus Tech, recognized as a Top IT Service Provider In New York, has supported over 25 non-profit organizations. While the company provides IT support services for small businesses, it is still supporting non-profits of various causes such as environment, youth, healthcare, and even animal welfare.

Among the non-profits that Solarus Tech is supporting is the Nassau County and Suffolk County branch of Habitat For Humanity. The network consultant also supports Riverhead Foundation for Marine Research and Preservation, Brennan Center For Justice, Tourettes Association of America, CP Nassau, Peconic Land Trust, and Hispanic Counseling Center Inc.

The business IT support firm is also supporting the Guide Dog Foundation for the Blind and America?s VetDogs. Solarus Tech also gives help to Big Brothers Big Sisters of Long Island, Merrick Jewish Center, Michael Magro Foundation, American Heart Association, March of Dimes, Savvy Ladies, and Sunrise Day

Camp.

It also helps Pinktie.org, the Leukemia & Lymphoma Society ? Light The Night, Book Fairies, the Cycle For Survival ? Memorial Sloan Kettering, and the Spirit of Huntington Art Center. Solarus Tech is likewise helping Hope for Youth, St. Catherine of Sienna Medical Center, Pal-O-Mine, and Mercy Haven.

Supporting these companies is Solarus Tech?s way of giving back to the community for patronizing its IT support services. The company is known as a specialist in Cyber Security, Cloud Hosting, Business Continuity, Hosted Email Service, IT Consulting, and Compliance Testing in New York City. Solarus Tech is also known for providing the top-notch Offsite Backup, IP Telephony, Virtualization & Consolidation, and Storage Design. The company is also a leader in Vendor Management Technology, Domain Name Management, and Network Management in New York City. Likewise, they are recognized as the best Computer Consulting Operations Specialists in NY.

From its humble beginnings in 2012, this local IT support firm has served clients in over 40 locations worldwide. These clients include non-profit/non-government organizations (NGOs), small businesses, recruiting business services, and start-ups.

?As a local business, we?re small enough to be personal and flexible, yet big enough to bring the latest tools to solve your problems. Being local also means we take our commitment to each client seriously,? Solarus Tech emphasizes.
