

# Subaru White Plains Offers New Lease Deals

*January 22, 2020*

January 22, 2020 - PRESSADVANTAGE -

Subaru White Plains recently announced new lease deals available at their dealership in the month of January. The dealership, located in White Plains, New York, about an hour north of New York City, is promoting deals on new leases for a number of their models in January, including the Subaru Legacy, the Subaru Crosstrek, and the Subaru Impreza. Subaru White Plains, formerly Westchester Subaru, has a number of new and pre-owned Subaru vehicles available for lease and purchase at their dealership. Interested car shoppers can browse new and used inventory online, and take advantage of expert services right on site when they go in person to the dealership to shop for a car, truck or SUV.

Among the deals currently being offered by Subaru White Plains is a deal on a Subaru Legacy Lease. The Subaru Legacy, a sedan, is designed for optimal balance and an even distribution of power for maximum traction. With standard Symmetrical All-Wheel Drive, the car has exceptional stability, impressive efficiency, and a quick response to conditions. The Legacy also has the most total interior volume in its class, plus soft-touch, high quality materials for added comfort and more room for passengers and gear. Extensive noise-reduction measures including laminated glass and aerodynamic side mirrors make every drive more enjoyable and road trip playlists sound even better. Like all of Subaru's vehicles, the New Subaru Legacy is generous on its storage, low on servicing needs and ensures a fantastic drive on every landscape. Subaru White Plains is happy to help customers find exactly the right Subaru to fit their needs, while also working with them to find the best lease or ownership plan for their specific financial situation.

In addition to the deals on leases for the Legacy, Subaru White Plains is also offering an exciting deal on a new Subaru Crosstrek Lease. The Subaru Crosstrek, a standard SUV, is a car that's safe, practical, comfortable to drive, and spacious enough for large loads of gear. With sleek styling, and versatile raised roof rails, the 2020 Crosstrek brings rugged style to any drive. The 2020 Crosstrek interior is designed to be a comfortable basecamp for all adventures, with high-quality materials and an innovative acoustic windshield that helps reduce noise. Not to mention, the stylish seating makes sure drivers and passengers forge new stories in style. Passengers are surrounded with contrast stitching in the 2020 Crosstrek, and the available perforated leather-trimmed upholstery improves ventilation and provides greater comfort. The Subaru Crosstrek is even good for the pocketbook - according to Kelley Blue Book, the Subaru Crosstrek has the

lowest 5 Year Cost to Own in its class. This means that cost of owning a Subaru Crosstrek, including maintenance, gas, insurance and all other extraneous expenses, is less than other similar vehicles.

Subaru White Plains also has deals on a new Subaru Impreza lease. The Subaru Impreza is available both as a sedan and a hatchback, 5-door model. It features a refined, spacious interior with high-quality soft-touch materials and plenty of room for passenger comfort. Combined with the large cargo area and wide rear gate opening on 5-door models, the Impreza is prepared for almost any adventure. The Impreza's high-strength steel body is designed for lasting quality and a smooth ride. Not to mention the standard Symmetrical All-Wheel Drive makes for exceptional stability, impressive efficiency, and a quick response to driving conditions.

Over 97% of Subaru vehicles sold in the last 10 years are still on the road today, making them a trusted brand for long lasting vehicles with the highest safety ratings that can handle all kinds of driving conditions. Subaru has even been named Kelley Blue Book's Most Trusted Brand for four years running. Anyone interested in owning their own car from this long loved car manufacturer can find a great deal on their next Subaru at Subaru White Plains. With their expert staff and extensive knowledge of Subaru vehicles, they promise to leave every customer delighted with their new car.
