January 23, 2020 - PRESSADVANTAGE -

Northbrook, IL based Northbrook Dentist Office is pleased to inform their community that the clinic's expert services are now open to new patients. The Northbrook office offers a number of different procedures and associated services aimed at meeting the needs of patients with all kinds of issues and conditions. The practice is run by Dr. Steven Kacel, who performs both cosmetic and general dentistry to help his patients achieve better oral health, a more confident smile and better long term health. Regardless of the situation at hand, Dr. Kacel can diagnose an issue, recommend a treatment and get patients on the road to recovery in an incredibly short period of time.

Dr. Kacel is a leading dentist in Northbrook, IL who has been providing high quality dental care services to patients throughout the area for over 30 years. Over the course of his work during this period, he has built a reputation for providing high quality services at affordable rates, especially when working with patients who need certain procedures yet are limited to strict budgets. Dr. Kacel has had a great deal of training in diagnosis, treatment planning and oral rehabilitation.

He also maintains a number of memberships and high profile positions in dental associations around the

world. For instance, the dental expert is a member of the American Dental Association, the Illinois State Dental Association, the American Academy of Cosmetic Dentistry and other prestigious organizations. He was also named the top Invisalign dentist of 2019, received the Talk of the Town award in 2014 for excellence in patient satisfaction and has received dozens of other awards over the years in recognition of his great service.

“Do you have an issue with your smile and have always wished that you could have it fixed? Does it affect you on a daily basis, or affect your self-esteem?” the Northbrook dentistry asks. Those that answer yes will find that most cosmetic dental issues can be corrected fairly quickly, and that Dr. Kacel excels in cosmetic dentistry procedures. His Northbrook dental office offers a large variety of procedures that can help one improve the appearance of their smile and increase their self-confidence.

The dental office also offers a number of general dentistry services and procedures, from dentures to fillings to cleanings and extractions. They ensure that each and every service they perform is carried out with the highest regard for quality. “General dentistry procedures help foster long term oral health and help our patients relieve themselves of aches, pains, and discomforts that bother them on a daily basis,” the dental office says. “If you are experiencing any dental pain, contact our office today to receive a diagnosis and schedule an appropriate treatment.”

Many fail to see the effect that dental health can have on their long term overall health. It is very important for one to take care of aches and pains as they arise instead of letting them grow into more serious concern. Anyone in need of a dentist in Northbrook IL is encouraged to pay Dr. Kacel a visit.

“Another great experience from the minute I entered the office,” says a 5-Star review of the Northbrook dentist’s office on Google Maps. “I just adore the entire staff, but love my 6-month visit with Bonnie. I always love seeing Dr. Kacel when he pops in for the final look-see! We always enjoy talking about our latest trips! They are a fun, professional staff that seems to really care about their clients.”

Another patient on the same review platform says, “Dr. Kacel is patient and thorough. He made certain I was comfortable at all times and often asked for my input, to guarantee a result I would be happy with. His staff is warm, yet professional. I am happy with the outcome of my dental work and would highly recommend Dr. Kacel and his super staff.”
