

Cornelius Chiropractor Optimize Chiropractic Having Their Grand Opening on February 8, 2020

January 21, 2020

January 21, 2020 - PRESSADVANTAGE -

Optimize Chiropractic is having their Grand Opening on February 8, from 12:00pm ? 2:00pm at 19109 W Catawba Ave Ste 100, Cornelius, NC 28031. They will provide food & drinks, raffle prizes, office tours, face painting & balloon animals for children. This will be a great opportunity for attendees to socialize with neighbors, learn what Optimize Chiropractic is all about, and have an opportunity to win prizes. Check out the event on Facebook at: <https://www.facebook.com/events/2506548866255618/>.

The team at Optimize Chiropractic is comprised of Dr. Wallace and two chiropractic assistants: Krista Schoenewolf and Patty Baiera. It is their mission to promote optimal health and wellness throughout the Lake Norman community through chiropractic care and patient education. Their goal is to address problems at their source instead of merely covering up symptoms. ?This approach allows our patients to experience optimal levels of health and wellness,? says Dr. Wallace. Their vision is to help create a healthier Lake Norman community through regular chiropractic care, and health and wellness education.

?Health is a state of optimal physical, mental, and social well-being,? says Dr. Joe Wallace. ?It is our goal to help everyone in the Lake Norman community experience true health.?

Optimize Chiropractic specializes in family wellness chiropractic care. "People in the Lake Norman community are very active, and our preventative approach to care will help people excel in the activities they love," says Dr. Wallace.

Dr. Wallace has worked with many athletes to help keep them on the field and performing their best. "Athletes of all ages can benefit from chiropractic care and the earlier they start, the better," states Dr. Wallace.

Optimize Chiropractic strives to give their patients the tools to be in control of their health, beginning with communication and education. All patient will go through a detailed case history, a comprehensive spinal physical exam, and full-spine x-rays.

Dr. Wallace explains, "Between the first and second visit I like to study each patient's case in complete detail so I can provide the best care possible."

During the second visit Dr. Wallace provides each patient with a report of findings and recommendations for care. "It is my job to provide people with accurate information, so they are able to make educated decisions about their health," says Dr. Wallace.

For a limited time, Optimize Chiropractic is offering a \$50 New Patient Special for appointments scheduled before February 8th. The promotion covers detailed case history, comprehensive spinal physical exam, x-rays, report of findings, and recommendations for care. The promotion is available on a complimentary basis to first responders, teachers, students and children whose parent schedules the appointment. The money raised by this offer will be donated to the Ada Jenkins Center in Davidson NC. To schedule an appointment call (704) 237-4010 or visit <https://www.optimizechironc.com/contact-us/>.
