

DuoCircle Completes SOC 2 Compliance & Certification

January 22, 2020

January 22, 2020 - PRESSADVANTAGE -

San Diego, CA ? January 16, 2020: DuoCircle is pleased to announce that it recently received its AICPA Service Organization Control 2 (SOC 2) Type 1 Report. This report provides detailed information regarding DuoCircle?s policies and controls relevant to security, availability, and confidentiality of data. DuoCircle meets the SOC 2 standards for Security and Availability Trust Services Principles with zero exceptions listed.

Additionally, the Company is certified under and complies with the EU-US and Swiss-US Privacy Shield framework, each of which require DuoCircle to maintain certain safeguards for personal data transferred to the United States.

DuoCircle?s CEO Brad Slavin expressed DuoCircle?s commitment to its customers?, and their clients? information and data security. ?Since 2015, customer service and confidence have been core beliefs of our small company. Our SOC 2 certification is not only an added layer of protection for our clients but a clear indicator of our continuing pledge to develop strong, trusting, relationships with our partners and users.?

DuoCircle?s SOC 2 certification demonstrates their commitment to data security through the practices and procedures it follows for protecting against unauthorized access, maintaining the availability of its service, and protecting the confidential information of its customers.

With a fast-growing customer base in Europe, DuoCircle has also remained focused on the security and compliance requirements in the European Union and beyond. DuoCircle remains committed to complying with its obligations under the GDPR, has established a comprehensive and ongoing compliance program, and is committed to partnering with its customers and vendors.

About AICPA

Founded in 1887, the AICPA represents the CPA profession nationally regarding rule-making and standard-setting and serves as an advocate before legislative bodies, public interest groups and other professional organizations. The AICPA develops standards for audits of private companies and other services by CPAs; provides educational guidance materials to its members; develops and grades the Uniform CPA Examination; and monitors and enforces compliance with the profession's technical and ethical standards.

The AICPA's founding established accountancy as a profession distinguished by rigorous educational

requirements, high professional standards, a strict code of professional ethics, a licensing status and a commitment to serving the public interest.
