September 14, 2015 - PRESSADVANTAGE -

TantrumsprayTans.com is now available to for clients in the Boynton Beach, FL area offering their professional level Mobile Spray Tan service. The company specializes in assisting its customers achieve a beautiful sunless tan that is Ultra Violet free, natural looking and without the worry of harmful side effects.

Tanning has evolved over the years and now gone are the days of risky tanning salons with their harmful tanning beds. The new technologies available help people achieve a beautiful tan without the need for tanning beds, using self applied tanners or burning up on the south Florida beaches. UV rays from both the sun and from tanning beds have been clinically proven to increase your risk of skin cancer. The alternative up until recently have been the applied self tanners but they leave an orange residue, streaks and even odors that made the results less than appealing. The demand for that perfect sunless tan without any harmful side effects can now be attained by health conscious individuals, body builders, fitness folks, models, dance & cheerleading squads, brides, and grooms etc.

TantrumSprayTans.com is in the unique position to be able to offer it's patrons a safe, fast and even tan without damaging or aging their skin. ?All of our clients are health conscious individuals who want only the best, non harmful elements applied to their skin. With our spray tan techniques and materials they can look and feel their best without harmful UV rays, aging their skin or any of the many negative side effects associated with traditional sun bathing and harsh tanning beds,? says owner Melinda Dixon.

According to the website, Tantrum's Mobile Spray Tans can be applied at your location by professionally trained and certified technicians to ensure a safe tanning experience. The technicians apply a safe and natural solution that leaves no tan lines, no orange coloring, no sticky residue and no odors. Clients return on a regular basis because they get hooked on the natural looking results without the challenges of other sunless tan options.

?Our customers are exstatic about natural they look after one of our professionally applied tantrum spray tans. Maybe its the fact that our solutions are natural and free from harsh chemicals. With our services,

clients get the perfect tan they desire without any of the hassles of driving to a salon or spending hours sunbathing on the beach. If they choose, our professionally trained staff can directly to the clients location and get them looking like they just spent a week in the sun in only about 20 minutes," says Ms Dixon.

"Many of the people we work with call us a few days before they have a special social or professional event so we can help them reach that natural, beautiful tanned look they want. Our Mobile Spray Tan Service was created for health minded individuals that would rather we come to them so they can spray tan in the privacy of their own home, hotel or office and we are happy to be of service. We go directly to our clients doors and apply our proprietary solution based on their particular skin type and desired color. We achieve beautiful, natural, safe results," says Melinda Dixon Owner of TantrumSprayTans.com.
