

## Hair Serum For Frizzy Hair Released

*January 30, 2020*

January 30, 2020 - PRESSADVANTAGE -

The Vitamins Hair Serum Keratin Protein Treatment from Vitamins Hair Cosmetics has been released as a keratin hair serum for frizzy hair. This has been designed to be a hair moisturizer for rejuvenating hair shine and enabling split end repair on dull and brittle hair. It contains a herbal oils complex based on Moroccan argan oil for the purpose of protecting the hair from dust and humidity. It is able to do all that by nourishing, moisturizing and strengthening the hair. Because of those properties, this keratin hair serum can transform even coarse and frizzy hair into smooth and healthy hair with less tangles. It is free from parabens, alcohol and sulfate and it can be used for bleached, color treated, blonded, colored, curly, thick, fine, straight, or thin hair.

Eyal Tamir, Business Development & Export Manager for Vitamins Hair Cosmetics, says, "We are really excited to inform everyone that our Vitamins Hair Serum Keratin Protein Treatment product is a hair serum that can be used for frizzy hair. Throughout the years, we have observed that different hair types require different treatments. Thus, it has been our aim to develop the best possible solution for every known hair type and need, for both women and men. Vitamins Hair Cosmetics' keratin products are enriched with a unique complex containing Keratin extract, Moroccan Argan Oil, Wheat Germ (*Triticum Vulgare*) Oil and Vitamin E that work together to provide the best results."

The primary purpose of the Vitamins Hair Serum Keratin Protein Treatment is for protecting the hair and it is compatible with all hair types. It has a very high antioxidant effect and high moisturizing effects. It is a keratin and argan oil leave in hair treatment product that has been observed to be capable of repairing dry, colored, damaged, permed, and bleached hair.

Another hair care product from Vitamins Hair Cosmetics that can complement the hair serum is the Vitamins Keratin Hair Mask Deep Conditioner from Vitamins Hair Cosmetics that has been found to be the best hair mask for damaged hair. Those who have already experienced using this moisturizing protein hair mask have noted that it can repair split ends and it is capable of reviving damaged dry hair. This hair mask provides smooth, soft, shiny, and healthy hair. It has also been used on heat and environmentally damaged hair and it was able to restore the hair's vitality. It has also been found to repair the scalp and hair cuticles while providing long lasting hydration.

Vitamins Hair Cosmetics has also ensured that the Vitamins Keratin Hair Mask Deep Conditioner is free from parabens and sulfates. It is made up of a natural blend containing keratin extract, Moroccan argan oil, vitamin E, and wheat germ oil. It has the capability to control frizzy hair and prevent hair breakage. Also, it has a hair detangling effect. And it has been specifically designed to offer deep hair conditioning and to hydrate, strengthen, and rejuvenate dry, dull, and damaged hair, transforming it into soft, smooth, shiny, and healthy hair.

Another keratin product from Vitamins Hair Cosmetics that can be used to complement the effects of the Vitamins Keratin Hair Mask Deep Conditioner is a keratin shampoo for hair care. This is the Vitamins Keratin Shampoo Hair Protein Treatment product. This keratin shampoo can clean and moisturize hair, while also adding volume to the hair. It can result into clean, smooth and sleek hair, while providing gentle protection to the hair from damage by chemicals, chlorine, and humidity. It can also be used to hydrate all types of hair, whether this is colored, thin, thick, color treated, bleached, fine, straight, or curly hair. The keratin and argan oil in this shampoo has been observed to provide moisturization, hydration, and enhancement of hair texture, with the result that dull and frizzy hair is changed into healthy, silky, and beautiful hair.
