Successful Pensacola Sunroom Provider Reviews 2019 Wrap-Up

January 28, 2020

January 28, 2020 -
Pensacola, Fla. - Throughout the year of 2019, Titan Sunrooms quickly solidified themselves as professional innovators. As the key provider of sunrooms and other outdoor living structures for homeowners the entire Florida Panhandle region, an important aspect of the Pensacola sunroom provider is reviewing the successes of the previous year.

Over the course of the year, Titan Sunrooms manufactured, installed and supplied a growing dealer base, including Orlando and Jacksonville, with the most advanced custom sunrooms on the market. As an example of their proficiency, Titan Sunrooms was able to sell 700 sunrooms to satisfied customers. To match the growing demand of their product, the business added an impressive 5,000 square feet of capacity to the existing facility.

A highlight of 2019 was the implementation of the Block House Shed series. The new product has provided many uses, ranging from backyard offices, man caves, she sheds, and even art studios. These sheds can be built at a fraction of what a home addition would cost, while still being completely customizable. There is also a specific model of Blockhouse available that is fully insulated and air-conditioned with windows to provide

natural light and privacy.

While located in the Gulf Breeze area, Titan Sunrooms has been in the contracting business for over 20 years. To consistently provide their customers with the most up-to-date options for home renovation and Pensacola screen rooms, the Blockhouse Shed series is a testament to the companies paid attention to innovation.
