

Local Hearing Center in Douglasville, GA Celebrates Winning Hearing Aids in 2020

January 28, 2020

January 28, 2020 -

Douglasville, Ga.: Beltone USA is a national hearing center known across the country, and today they are celebrating a winning hearing aid in 2020. The new technology that attributed the award-winning hearing aid is groundbreaking in its field. A local hearing center in Douglasville, GA is one of the Beltone locations able to celebrate this winning technology.

The hearing aid called the Beltone Amaze was the 2020 winner for the Big innovation Awards, delivered by The Business Intelligence Group. The hearing aid allows its users to use Android operating systems to make phone calls, listen to music and other sounds also on the Android operating system. The battery life can be persevered by using low Bluetooth energy.

Today, 75 percent of all phone users are Android users making it possible for millions of people around the world diagnosed with hearing loss to have a higher quality of life. Those with hearing loss in Douglasville, GA can look forward to using this technology to better connect with loved ones.

?Innovation has become a major theme for organizations across virtually all industries and this year?s

winners are a testament to the creativity, passion, and perseverance of individuals worldwide. We are thrilled to be honoring Beltone as they are leading by example and making real progress on improving the daily lives of so many," stated Maria Jimenez, chief operating officer at the Business Intelligence Group.
