

The Beltone Amaze is Highlighted by a Professional Hearing Specialist in Peachtree City, GA

January 28, 2020

January 28, 2020 - PRESSADVANTAGE -

Peachtree City, Ga.: The Belone Amaze hearing aid is a new groundbreaking technology produced by Beltone USA. The premiere hearing aid product won the 2020 award presented by the Business Intelligence Group called the Big Innovation Award. A professional hearing specialist in Peachtree City, GA is proud to carry the new technology at this Beltone location.

The new hearing aid technology is set up on the Android operating system and can stream any sound being sent from another Android system. This includes phone calls and music. Having this innovative technology at a local hearing center in Peachtree City, GA is going to help those in the community struggling with hearing loss by improving their quality of life and help to cultivate easier connections with family and friends.

The hearing aid was selected as the winner from numerous inventions submitted by businesses across the globe. The winner of the award is selected by a group of renowned business leaders who donate their time to select a winner every year.

Maria Jimenez who is the current chief operating officer with the Business Intelligence Group exclaimed, "We

are thrilled to be honoring Beltone as they are leading by example and making real progress on improving the daily lives of so many.?
