January 28, 2020 -

Pensacola, Fla. - A leading chiropractor in Pensacola, Dr. Edwin Roberts Sr. of A Chiropractic Tradition, is offering their Florida community the Department of Transportation (DOT) Medical Exam. According to the Federal Motor Carrier Safety Administrations (FMCSA) website, a DOT physical examination must be conducted by a licensed medical examiner listed on the FMCSA National Registry by drivers of commercial motor vehicles and other safety-sensitive employees every 24 months.

The exam requires a complete health questionnaire to be completed including information on any previous surgeries, current medications, specific diagnoses, and doctors' information. During the physical examination, it tests heart rate, blood pressure, vision in both eyes, and hearing. Additionally, a urinalysis test is required to screen for drugs as well as detection of blood, sugar, or protein in the urine. Drivers with chronic health issues, such as diabetes or heart-related issues, may be required to provide additional medical history or complete additional paperwork.

A Chiropractic Tradition, Dr. Edwin Roberts offers patients the DOT physical in Pensacola, FL among several other chiropractic services. Those in need of the exam can find the necessary paperwork online so it may

complete prior to their appointment to help save his patients time and ensure a smooth examination.

A Chiropractic Tradition, Dr. Edwin Roberts Sr. has been serving Pensacola and the surrounding areas for over 40 years and is a FMSCA certified Medical Examiner.
