PHILADELPHIA ? McClain Bros. Plumbing, a trusted Philly plumbing company for over 15 years, announced today that it has launched a special ?Refer a Friend? discount program. Under the program, customers who refer a friend to McClain Bros. will receive a \$20 discount on whatever service they are ordering. The company is also offering discounts for customers and fans who ?friend them? on Facebook, one of the only Philadelphia plumbers to reward this kind of social media activity.

?Our business has grown through referrals, so we thought why not reward customers who like us enough to refer their friends,? said Scott McClain, co-owner of McClain Bros. Plumbing. ?It?s our way of strengthening our customer relationships.?
