Stretch Marks 101 just announced the release of their newest video entitled "How to Avoid Stretch Marks". Uploaded in their official YouTube channel, it is still part of the series of videos that aim to help people with stretch marks, especially pregnant women, to understand more about this beauty problem.

The video discusses the easiest way to avoid stretch marks. It emphasized that it is important to keep the skin well-nourished and moisturized. It also mentioned about Bella Joi Stretch Mark Cream that contains potent ingredients such as butters, antioxidants and three moisturizing oils.

"We are very happy to announce that we have a new video on our very informative YouTube channel. It tackles simple ways on how people can avoid stretch marks and what they can do about them", says company representative for Stretch Marks 101, Tim Fleming. "The series of videos about stretch marks is one of our ways to help people gain knowledge about this problem, which may not be serious health-wise, but may greatly affect one's self-esteem and confidence. We believe that it is important to understand more about it so that it can be addressed properly."

Stretch marks are very common for both women and men. Although, it is mostly the problem of pregnant women. These marks are a natural result of the stretching of the skin. While there are many optional treatments to treat stretch marks, it is important to prevent and reduce its appearance while they are still new. One thing to remember is that these marks start as red streaks, which will turn to white or silvery over time. This is the main reason why it is vital to learn how to prevent stretch marks by keeping the skin healthy and well-moisturized. Positive lifestyle changes and a good skin care regimen are also needed.

Aside from the How to Avoid Stretch Marks video, there are several other videos in Stretch Marks 101 YouTube channel that are all about stretch marks. These videos will help people to understand more not only the usual causes of these unwanted marks, but more importantly, the most simple and effective ways to deal with them.
