February 13, 2020

February 13, 2020 -

California based Rocklin Kiwanis is delighted to announce the dates for their 2020 Rocklin Community Festival. They have asked everyone to save the date from May 7th through to May 10th. Rocklin Kiwanis is now taking bookings from vendors and groups who want to reserve space and they welcome business sponsorships from interested parties. Pre-Sale discounted tickets for the carnival will go on sale on March 1st. Full details about the 2020 celebrations can be found on the Rocklin Community Festival website at rocklincommunityfestival.org.

A spokesperson for Rocklin Kiwanis says, "The 2020 Community Festival is hosted by the Rocklin Kiwanis Club and the City of Rocklin. We want to invite everyone to our 12th annual Rocklin Community Festival. We aim to make it the biggest one yet and hope that everyone will bring their Mom too to have some fun celebrating Mother's Day. This spring celebration has always been a family favorite across the community, bringing together carnival rides, great food, many unusual crafts and, of course, the fireworks display on Saturday night. Come for the Cub Scout pancake breakfast and make an entire day of it."

The event is sure to continue to rise in popularity, with free live entertainment, a fabulous food court, a beer and wine garden, and the "Midway of Fun" carnival that includes rides for kids of all ages. It will also feature many local businesses and craft vendors who will appreciate the opportunity to support the community and connect with their customers. As in past years, the weekend would not be complete without the Saturday pancake breakfast sponsored by the Cub Scouts.

The Festival is still seeking sponsors for the fireworks show, which has been a traditional highlight of the weekend. Four sponsors at \$2,500 are needed to ensure that everyone can enjoy the magical display. In past years, the fireworks display has created the highlight of the evening, and this year they hope to repeat that success. Full details of the available sponsorships and event space costs can be found on their website.

Details and highlights can also be found on the Rocklin Community Festival Facebook page at <https://www.facebook.com/rocklincommunityfestival/>. They hope that the whole community and surrounding

areas will follow them there to stay abreast of their latest news and announcements. Visitors can also read recommendations from those who have attended past Rockline Community events.

The festival is designed to suit the needs of the whole family, from the very young to their doting grandparents. It is a great way to make wholesome family memories that will last a lifetime. They invite everyone to help them get the word out to make the 2020 Rocklin Community Festival the best one yet. Whether this is achieved online through Facebook, Twitter and Instagram or offline methods, everyone in the community can find their own special way to help make it a success.
