Allentown Personal Injury Attorneys Tus Abogados Locales Open New Location

February 10, 2020

February 10, 2020 - PRESSADVANTAGE -

Allentown, PA - Tus Abogados Locales, a firm of personal injury lawyers in Pennsylvania, has opened a new location in Allentown to better serve the Spanish-speaking members of the community.

"We are honored to be able to serve the community of Allentown from our new law office. The 122 North 5th Street location is right in the heart of the city, which we believe will provide direct access to experienced legal representation for those who need it the most," said David Petrone, one of the managing partners at the firm.

Tus Abogados Locales possesses locations throughout the state of Pennsylvania. In the past, they've represented numerous clients through all kinds of personal injury claims. However, their area of expertise is focused on PA workers' comp, slip and fall accidents, and auto collisions.

Mr. Petrone is not the only attorney working out of the Allentown law office. The Tus Abogados Locales team is composed of other equally-qualified and experienced personal injury attorneys who have themselves handled social security disability claims, medical malpractice disputes, dog bite lawsuits, and motorcycle accident claims, among others.

"Our internal teams completed some extensive research in the Allentown area and encountered a significant number of individuals seeking out 'abogados de lesiones personales en Allentown.' We have no doubt that when victims of personal injuries in Pennsylvania don't have access to legal representation, justice is hardly ever served. For these reasons, we've made our Allentown lawyers available to all via free case reviews. Moreover, if our team is not able to win the claim and obtain a compensation for the client, we do not charge any legal fees. It's how we've chosen to run our law firm, and how we think we can best serve the local community that has supported us for so many years," concluded Petrone.

The Tus Abogados Locales injury law firm in Allentown was opened in December 2019 and serves clients from the following areas, among many others: Mosser Village, Rittersville, Fairview, 1st Ward, 6th Ward, St. Paul's Park, Old Allentown, Franklin Park, 8th Ward, West Walnut, Union Terrace, Hamilton Park, and Rose Garden.

The Tus Abogados Locales personal injury attorneys boast an extensive repertoire of satisfied clients throughout the entire state of Pennsylvania.

Their mission is to continue growing it from their new location at:
