February 18, 2020 - PRESSADVANTAGE -

Palisades Mazda, a Nyack, NY based Mazda dealership, is pleased to invite customers to take advantage of their Mazda CX-30 lease deals. During the month of February, anyone interested in getting their hands on a CX-30 can lease one for much less than they normally would. This February presents the perfect opportunity for one to lease a brand new Mazda, and Nyack residents who may be interested in this opportunity are encouraged to get in touch with the dealership as soon as possible.

This Mazda is completely unique in that it is the first vehicle of its kind. It represents Mazda's successful attempt at reimagining what a CUV can be, and it offers a lot of what vehicle owners may have been looking for in a CUV but have been unable to find until now. "With class leading horsepower, stunning design and generous interior space, the first ever Mazda CX-30 is engineered like nothing else to feel like nothing before," says Palisades Mazda.

Those looking to lease or purchase a new vehicle will find that Palisades Mazda is one of the best options available. The company has provided their customers with the best possible sales experience for more than 20 years. We're also more than happy to help you find just the right car to fit your lifestyle and budget. We are conveniently located at 115 Route 59, Nyack, NY 10960. The dealership has the resources to help customers finance their purchases or leases and is always willing to take a call from those who need assistance getting their next Mazda.

Many of the dealership's customers have left great reviews online praising the company's great service. "We could not be happier with our experience at Palisades Mazda," says a 5-Star review on Google. "We showed up at the end of December, their busiest time of the year, with no appointment. After about waiting for five minutes, we were teamed up with Chris Kinder. He was very gracious with his time, expertise and lack of the negative "car salesmanship." He showed us a beautiful car, and we bought it on the spot. We have been recommending Palisades Mazda and Chris Kinder to everyone ever since."

Another 5-Star review praises the dealership's customer service, stating, "Everything at Palisades Mazda created the best car buying experience I have ever had. The salesman, Emu, was friendly, knowledgeable, low-pressure and honest! Everyone there was friendly and made me feel comfortable. The facility was sparkling clean and well organized. Business manager, John, was friendly, knowledgeable and professional. Thank you!"
