

Mazda6 Lease Deal for February 2020 at Palisades Mazda Announced

February 18, 2020

February 18, 2020 - PRESSADVANTAGE -

Palisades Mazda, an auto dealer based in Nyack, New York, has announced their Mazda6 lease deal for the month of February 2020. With this lease deal available for the whole month, customers can bring home a brand new 2020 Mazda6 sedan, where the monthly payments would be \$199 for a period of 36 months, with \$3,789 due at signing. All manufacturer rebates will be applicable and the customer has an option to purchase the car for \$13,779. The customer can also make use of the \$750 Mazda Lease Loyalty Incentive if qualified. And for people who would need to terminate the Mazda6 lease early, they may be able to benefit from Mazda's lease pull-ahead program.

Frank Benedict, General Manager at Palisades Mazda, says, "We're excited to announce our Mazda6 lease deal for February 2020. The Mazda6 is a stylish sedan that was the Car and Driver's Editor's Choice. Experts have stated that its "precision-tuned suspension and driver-focused cabin make it the ideal choice for those who enjoy driving". And for the first time, the Mazda6 is available with our Dynamic Pressure Turbocharged SKYACTIV®-G 2.5T engine. Delivering up to 250 HP¹ and 310 lb-ft of torque, it's engineered to be ultra-responsive at low RPM, with power to spare when you're already off and running. It's an effortless brand of power that's sure to elevate your mood. Along with your heart rate."

The 2020 Mazda6 sedan was designed to allow drivers and passengers feel better when they get out of the car than when they got in. This is due to the redesign of the seats and the use of new cushioning materials. Therefore, if a person drives across the state, the body will feel like he or she only went across town. Frank Benedict urges people who are interested in the Mazda6 to check out the Mazda6 variations and choose from their wide inventory of colors, features, and pricing options.

The new 2020 Mazda6 sedan has a fuel consumption rating of 26.0 mpg for city driving and 35.0 mpg for highway driving. Its highlighted features include its blind spot sensor, lane departure, automatic temperature control, distance pacing cruise control, power moonroof, emergency communication system, exterior parking camera at the rear, and wireless phone connectivity.

The new 2020 Mazda6 sedan also has several convenience features. These include 1-touch up, 1-touch down, air conditioning, Mazda Radar Cruise Control, driver vanity mirror, driver door bin, automatic temperature control, illuminated entry, front dual zone air conditioning, front beverage holders, Mazda Connect emergency communication system, tilt steering wheel, telescoping steering wheel, speed control, remote keyless entry, rear door bins, rear beverage holders, doors and push button start, power windows, passenger vanity mirror, passenger door bin, and overhead console.

It also has several suspension/handling features. These include the 19" wheels, speed-sensing steering, 225/45WR19.0 rear tires, rear anti-roll bar, power steering, 225/45WR19.0 front tires, front anti-roll bar, four wheel independent suspension, and alloy wheels.

With regards to seats and trim, the new 2020 Mazda6 sedan has a split folding rear seat, bench rear seats, rear seat center armrest, power driver seat, maximum seating capacity of five, manual driver lumbar support, leather shift knob, heated front seats, bucket front seats, and front center armrest.

It also has a number of lighting, visibility and instrumentation features. These include the variably intermittent wipers, trip computer, tachometer, rear window wiper, rear window defroster, rear reading lights, Rear Cross Traffic Alert, rain sensing wipers, outside temperature display, low tire pressure warning, Lane Keep Assist System, fully automatic headlights, front reading lights, Advanced Smart City Brake Support, exterior parking camera at the rear, digital/analog display, delay-off headlights, compass, Blind Spot Monitoring System, and auto high-beam headlights.
