February 12, 2020 -
Proper carpet cleaning can prevent illnesses, a Beaufort-based professional carpet cleaning company says. Carolina Carpet Cleaning, with over two decades of experience in carpet cleaning, stated that proper carpet care is necessary to prevent illnesses coming from dirty carpets.

According to health authorities, carpets can trap pollutants like dirt, dust, lead, dust mites, and other allergens. These pollutants can spread in the air that may cause pneumonia and other respiratory illnesses.

Thus, professional and environmentally-safe carpet cleaning is necessary for every home, according to Carolina Carpet Cleaning. The company provides professional carpet cleaning services for residential homes using state-of-the-art equipment, specially-formulated cleaning solutions, and stain removers.

The company brings the best environmentally-safe carpet cleaning in Beaufort, SC. They are using a carbonated cleaning solution, which is both clean and green. This solution does not require the carpet to be soaked in water. This cleaning solution allows cleaners to clean and dry the carpet in just one hour. Likewise, it is not causing any sticky residue on the mat.

Carolina Carpet Cleaning has been serving Beaufort residents since 1993. Over the years, the company has expanded its services in Bluffton, Hilton Head Island, Savannah, Ridgeland, and Hardeeville. The company is also servicing Port Royal, Lady?s Island, St. Helena, Harbor Island, Fripp Island, and Dataw Island.
