

Commercial Roofing Provider Now Taking On New Clients

February 15, 2020

WENTZVILLE, MO - February 15, 2020 - PRESSADVANTAGE -

Wentzville, Missouri based Brian Dawson Roofing & Construction is pleased to invite customers to take advantage of their commercial roofing services, available for properties in Wentzville, Missouri and surrounding areas. Businesses have a duty of care to make sure that their roof, as well as the entire building, is safe to inhabit.

Laura Cameron, speaking on behalf of Brian Dawson Roofing & Construction, says, "We support many businesses in our community who rely on our roof repair and roof maintenance services. We provide a tailored personalized maintenance plan to suit their specific needs and can do the same for every business we look after. With our annual inspections, we check for damage and issues with tiles, seams and sealants as well as any wall flashing, coping caps, pitch pans and any other element which forms part of your roof. In addition to bringing any existing issues to your attention, we will recommend solutions to resolve them."

She continues, "We will even undertake the repairs as quickly as possible to suit your needs, with minimal

disruption to your daily operations. If you have put off essential maintenance and inspections, give us a call. We can give you a detailed assessment of any repairs needed and will be happy to discuss your options and preferences. You will then receive a detailed bid for the repair that you can use to compare costs.?

Brian Dawson Roofing & Construction has provided residential and commercial roofing services in Wentzville, MO and surrounding areas for over 20 years. As a result, they have the expertise required to handle any type of roofing repair or replacement. They also provide exterior remodeling services for those who need a reliable O'Fallon roofing contractor who can be trusted to provide new siding, windows and gutters with high quality workmanship.

When the situation calls for emergency assistance, the firm can be counted on to make essential repairs and address leaks. From water leaks to storm damage, they are available to tackle any emergency roofing issue at any time of day. The company proudly serves the communities of Cottleville, Dardenne Prairie, Lake Saint Louis, O'Fallon, St. Charles, St. Peters, Weldon Spring, Wentzville and more.

Feedback from their customers confirms that they have earned their reputation keeping homes and businesses dry one roof at a time. Ken Tucker says in their 5-Star Google review that, "Brian Dawson Roofing repaired damaged soffit on our house (due to animal damage). Very thorough and well explained solution, and no surprises. I had heard great things before we hired them, and I can confirm this based on our experience!?"

Cameron comments, "We value all the feedback our customers leave online. We have staked our reputation on doing the best job possible in every situation and invite everyone to read the latest reviews on our website. We also hope you will enjoy our latest blog article, which was posted as a means to help you install solar panels on your roof if you so wish. Brian Dawson Roofing & Construction always advises that you get an in-depth inspection from a professional roofer. Naturally, we will be delighted to speak with you about your particular requirements. If you need a roof replacement or similar service, you can request a quote online.?"

USA Today and the WENY News sites recently featured the company in articles that discussed their recent blog article about the Four Best Roof Types for St Louis Area homes. Cameron is quoted in the article saying, "We believe that every property owner should have the right information to make an informed decision about their roof repairs and replacements. A roof should be chosen carefully based on their performance as well as their price and appearance. Longevity, maintenance and the impact on other costs should also be considered.?"

Businesses and homeowners in need of roofing maintenance, inspection or repairs are invited to contact

Brian Dawson Roofing & Construction at their earliest convenience. Full information about their services can be found on their website as well. The company encourages their customers and other interested parties to connect with them on Facebook, Instagram and Twitter to stay abreast of their latest articles, news, and announcements.
