Tripp Brothers Non-Slip Treatments, a Top Flooring Contractor in Bluffton, SC, is offering free and no-obligation quotations for those who need floor safety solutions.

The Bluffton-based company offers anti-slip floor solutions for businesses and residences in Bluffton and Lowcountry, SC. They use products that are suitable for both interior and exterior applications. They also have experienced technicians that fully insured. Furthermore, the company adheres to the standards set by the American Society of Testing and Materials (ASTM), ensuring the quality of their work.

Tripp Brothers Non-Slip Floor Treatments uses professional, long-lasting chemicals that create an invisible, sophisticated tread design into the surface of hard mineral floors and porcelain/enamel bathtubs. This process will not change the appearance of the floor or bathtub. ?Our product has been developed and proven for concrete, quarry tile, Spanish tile, ceramic tile, glazed brick, marble, terrazzo, porcelain/enamel, and many other hard mineral surfaces,? the company elaborates.

The products of the Best Floor Safety Professionals in Lowcountry SC is increasing the friction of the floor of

residential and commercial floors by 200 to 400 percent. With this, a walkway surface treated by them is safer in a wet condition than a dry, untreated surface.

Tripp Brothers Non-Slip Floor Treatments uses long-lasting Sure Step products for their services. The chemical creates an invisible, sophisticated tread design into the surface of hard mineral floors and porcelain. ?Once a surface is treated, 100% of the solution is neutralized and then removed,? according to the floor safety expert.

The chemical used by the floor treatment company is also floor and bathtub-friendly. It does not cause chipping, peeling, or discoloration. Tripp Brothers Non-Slip Floor Treatments further guaranteed that every floor and bathtub treated will have an increased coefficient of friction for at least one to five years.

To note, slips and falls have remained as one of the leading causes of death and permanent disability in the US workplace. Approximately 25,000 people daily are going to hospitals due to it. Slip and fall accidents also strip companies a considerable amount of money among businesses. Businesses in the USA spend some $30 billion yearly on slip and fall injuries.
