February 20, 2020 -
Holliday Home Improvements, the Best Home Improvement Store in Bluffton, SC, has published a smart guide that can help homeowners and businesses to save in 2020.

On its latest blog post entitled 6 Reasons Why You Need a Window Replacement, the Hilton Head-based company revealed how replacing old windows can reduce energy costs. Old windows, according to Holliday Home Improvements, result in heat loss of about 30 percent of residential and commercial energy use. Installing high-performing windows could provide a lasting solution for reducing electricity bills. Improved energy efficiency reduces heating and cooling costs yearly, they add.

An average cost for window replacement is from $175 to $700 per window. And quality windows usually last 15 to 20 years, which is a good investment, the top window replacement company explained.

?When looking for window installation, invest in the ones with robust frames, glass triple panes, and gas fills. Also, invest in well-insulated windows,? as advised by Holliday Home Improvements.

Apart from being an energy-smart solution, replacement windows likewise provide improved security. Replacing old windows with sturdy frames sourced from durable materials will keep the surface hard in case of a long exposure of moisture and direct rays. Installing new windows also enhances the aesthetic appeal of the house or property.

Holliday Home Improvements also provides the Best Commercial Window Installation in Bluffton, SC. The window replacement company has been in the business since 2010. Since then, they have been able to maintain their reputation when it comes to providing top-notch services at a friendly budget.

They offer high-quality products from reliable brands such as Sunrise Windows and Doors, Andersen Sunrooms, Soft-Lite Windows, and Hurricane Impact Windows and Sliding Glass Doors, ThermaTru Doors, and ProVia Windows and Doors.

?Our windows are manufactured to the highest standards and outperform the competition. Not only will they cut the cost of your air conditioning bill, but they can also boost the curb appeal of your home,? according to Jason Holliday, the company owner.

Aside from window replacement, the multi-location company is also a specialist in door replacement. It is serving clients in Hilton Head, Charleston, Bluffton and the Lowcountry area in SC, and Pooler and Savannah, Georgia.
