

Subaru White Plains Releases February Ascent Lease Details

February 20, 2020

February 20, 2020 - PRESSADVANTAGE -

The White Plains Subaru dealership of New York has just announced their lease special for the all-new 2020 Subaru Ascent. The 2020 Subaru Ascent can be leased for \$3,459 due at signing and \$269 per month for 36 months. The Ascent is the largest Subaru model yet and can seat up to eight passengers with optional third-row seating. It comes standard with all-wheel drive and EyeSight® Driver Assist Technology for added safety.

Optional entertainment packages like the Subaru Starlink Entertainment Anywhere include two iPads, two Bluetooth headphones, and two Otterbox protection cases so passengers can stream seamlessly from the car's built-in WiFi connectivity. The Ascent also has a 5,000 lb. towing capacity, so it can handle a full day of outdoor activities.

Subaru has a notoriously safe reputation and continues that practice with the Ascent. According to the IIHS safety rating, EyeSight from Subaru has reduced rear-end collisions with injuries by up to 85%. EyeSight analyzes traffic movement, warns the driver when going out of the lane. The automatic pre-braking feature will stop the vehicle in emergency situations. The Rear-Cross Traffic Alert will sound if there are any objects to the side of the vehicle when backing up. In addition, the standard Reverse Automatic Braking will fully halt the Ascent to avoid hitting anything behind the car. For even more safety measures, there is a sole camera in the back dedicated to providing a 360 degree view for improved visibility.

The Ascent's special lease offer is available at the White Plains Subaru dealership in New York. A recent review left on Cars.com said, "The folks at Subaru White Plains are a team of first rate and dedicated professionals. From my first introduction until our most recent interaction..." Anyone who is interested in leasing a 2020 Subaru Ascent can contact the dealership at:
