

Subaru White Plains Releases February Outback Lease Details

February 20, 2020

February 20, 2020 - PRESSADVANTAGE -

White Plains Subaru has just announced their 2020 Subaru Outback lease deal which offers the new Outback for \$3,399 down and monthly payments of \$209 for 36 months. The Outback gets 33 MPG on the highway and 26 MPG on the streets. It's main highlights include the new interior design, upgraded safety technology, and the Outback Onyx Edition XT's dual-function XMODE.

The interior is totally redesigned for comfort and style. Subaru's Starlink System is included on the 11.6-inch dashboard display which has navigation, Apple CarPlay® and Android Auto® integration. On the exterior, standard raised roof rails are included for outdoor adventures and/or additional storage. Cargo can be easily loaded and unloaded with the upgraded tie-downs on the 2020 Outback.

Subarus are known for their safety and reliability and the Outback is no exception. In fact, according to Subaru's own website, about 98% of Subaru Outbacks that were sold in the last ten years are still on the road today. Upgraded technology like Subaru's EyeSight® Driver Assist Technology provides more visibility and pre-collision sensors to stop the vehicle in emergency situations. Adaptive cruise control, eyesight lane keep assist, pre-collision brakes, and pre-collision throttle management are all features of the advanced EyeSight® technology in Subarus to help prevent accidents. Other 2020 Subaru models that have EyeSight® are the: Impreza, CrossTrek, WRX, Forester, Legacy, and Ascent.

The 2020 Outback Onyx Edition XT is fully-equipped with 260-horsepower direct injection SUBARU BOXER® engine. The dual-function XMODE analyzes and adjusts the symmetrical all-wheel drive depending on the type of road (mud, snow, dirt, pavement) for maximum traction. The XT sits at 8.7 inches of ground clearance and can handle many different types of terrain from smooth to rugged.

According to Google Reviews, a customer recalled, "We can't say enough great things about our experience with Subaru White Plains..." Anyone who is interested in the 2020 Outback lease special should contact the White Plains dealership in New York directly at:
