Georgetown Personal Injury Lawyers Tus Abogados Locales Opens New Location

February 21, 2020

February 21, 2020 - PRESSADVANTAGE -

Georgetown, DE - A Delaware personal injury law firm, Tus Abogados Locales has inaugurated a new law office in Georgetown.

"With ample experience representing clients in all kinds of personal injury claims throughout the State of Delaware, we discovered a significant interest in 'abogados de lesiones personales' in the local community. Similarly, our research also uncovered residents pursuing 'abogados de compensacion laboral en Georgetown' through online platforms. We are always looking to expand the reach of our team of injury attorneys throughout Delaware, and with our new Georgetown office, we are putting experienced legal representation within the reach of those who need it the most," commented David Petrone, Esq., the managing attorney.

Petrone expressed his firm's commitment to making legal help accessible to all, "Many victims of injuries are convinced that they do not have the financial resources to seek out legal representation, so much so that they don't even try. Understanding this regrettable circumstance, the Tus Abogados Locales team in Georgetown opens our doors to all via free legal consultations. Perhaps most importantly, we only work on a contingency

basis. This is to say, if we are not able to achieve a compensation for those clients we represent, then we do not charge any fees and they owe us nothing."

Personal injury law is a broad term used to address a wide variety of cases in which negligence is alleged to be the cause of damages to unsuspecting victims. The Tus Abogados Locales personal injury attorneys handle cases related to automotive accidents, on-the-job injuries and disability benefits (SSDI), falls caused by slips or trips, defective products, and even medical malpractice.

From their recently inaugurated Georgetown location, the Tus Abogados Locales team is proud to serve these local communities, in addition to other neighboring ones: Wood Branch, Stockley, Harbeson, Shortly, Woodcrest Estates, Hardscrabble, Concord, Ellendale, Seaford, and Millsboro.

The new location can be found at:
