Swarthmore Personal Injury Lawyers Tus Abogados Locales Inaugurate New Office

February 21, 2020

February 21, 2020 - PRESSADVANTAGE -

Swarthmore, PA - Tus Abogados Locales, a law office defending the rights of personal injury victims throughout the State of Pennsylvania, has opened a new law office in Swarthmore.

"We are honored to be able to offer our services to the Swarthmore community from our new law office. Our experienced team of personal injury attorneys is looking forward to further increasing our presence in the area, bringing our legal expertise to those who need it the most," expressed David Petrone, Esq., one of the senior attorneys at the firm.

The team at Tus Abogados Locales handles claims and lawsuits brought forth by victims of personal injuries. These injuries can be the result of a wide range of causes that can include accidents on construction sites, car wrecks, trip and falls, and motorcycle crashes.

Moreover, the Tus Abogados Locales team also includes attorneys who can assist those who've suffered an injury at work and who are wanting to pursue a worker's compensation claim. Along that same thread, cases related to social security disability benefits is also in their wheelhouse.

"Our goal is to bring justice through experienced legal representation to the members of the community who did not truly believe it was at their disposal. We've recently encountered an underserved population pursuing 'abogados de lesiones en el trabajo' and 'abogados de lesiones personales' on online platforms; this is exactly why we made our Spanish legal assistance available for free through no-cost case reviews. Our compensation structure, a contingency fee basis, also reflects this same commitment. If we can't secure a compensation for a client, then we are not compensated."

Petrone continued, "Civil law in Swarthmore puts some powerful legal options at the disposal of victims of injuries. If the injuries were the result of another person's negligence, then it is possible they are entitled to compensation. We know how big of an impact a personal injury can have on a person and their family, and we've dedicated our professional careers to pursuing justice for those who deserve it."

The newly-inaugurated Tus Abogados Locales Swarthmore office will serve the following neighborhoods, among many others: Ridley Park, Darby, Springfield, Upper Darby, Havertown, Wayne, Newtown Square, Upper Providence, Media, Lima, Chester Heights, Glen Mills, Concordville, Aston, Chester, Boothwyn, Chadds Ford.

The recently-opened law office can be located at:
