Financing does not in any way slow down the process of selling a house with Fast Home Sales. The company specializes in providing fair, written offers within 24 hours of the homeowner showing interest in selling their property. When working with Fast Home Sales, one can go from establishing initial contact to selling the house and walking away with cash in hand within a week. Instead of the usual process, which involves sitting around for weeks or even months, one can get in touch with Fast Home Sales and then leave with a decent chunk of cash and their home sold mere days later.

The process of getting in touch with Fast Home Sales is very easy. The first step is to submit the required information through the company?s quick, easy and free online form, after which Fast Home Sales will review the property?s details to determine whether or not it meets their criteria. The second step is to meet with Fast Home Sales at the house in question to determine what it is worth and what kind of offer the company can make. The final step is to choose a closing date. ?We take care of everything, including all paperwork, so you simply have to sit back and wait for your payment, which you get as soon as the transaction closes and funds. We close at a reputable local area title company,? states the company.

Fast Home Sales makes it a point to do things differently from other services in the industry. As they say, ?We prefer to serve you in the manner we feel you deserve, and this effectively means we?ll treat you like family. Selling your house to us will feel like selling your house to someone you have known for years.?

At Fast Home Sales, they understand that selling one?s home can be a very difficult task, especially when it has to be done fast. As such, the company works hard to give Travellers Rest homeowners the full breadth of their attention and expertise. Many of their clients have left great reviews detailing their experiences on the company?s website. ?Dan D?Ambrosio was a life saver,? says a 5-Star review, for instance. ?He bought our property that we had been unable to sell for almost 10 years. I really enjoyed working with him as he was very reliable and personable. I would highly recommend Dan!?
