

Subaru White Plains Releases February Crosstrek Lease Information

February 24, 2020

February 24, 2020 - PRESSADVANTAGE -

Subaru White Plains has announced the 2020 Subaru Crosstrek lease special of \$189 per month for 36 months, with \$3,379 due at signing. Available models of the Crosstrek are: the Crosstrek, Crosstrek Premium, Crosstrek Limited, and the Crosstrek Hybrid. Subaru has won the Kelley Blue Book best 5-year cost to own award. All Subaru Crosstrek models are built to last with a steel frame body structure called the Global Platform, and come standard with Symmetrical All-Wheel Drive. The Crosstrek is fuel-efficient and gets up to 33 MPG.

Key features of the Crosstrek are the available EyeSight technology, Lineartronic® Continuously Variable Transmission (CVT), climate control, rear-vision camera, and the SUBARU BOXER® engine. EyeSight is available on all Crosstrek models and has been shown to reduce rear-end injury collisions by up to 85%. In the event of an emergency, the pre-collision braking feature will halt the car before impact. All Subaru Crosstrek models are equipped with Thule® raised roof rails for outdoor gear and storage.

For additional safety measures, the Crosstrek Limited has blind-spot detection, rear cross-traffic alert, and reverse automatic braking included. Subaru's STARLINK multimedia entertainment features are included on the Crosstrek Premium and Crosstrek Limited with Apple CarPlay® and Android Auto®.

The hybrid Subaru Crosstrek is eligible for high-occupancy vehicle (HOV) lanes in some states (including New York). It also has the capability to find the nearest charging station with the Charge Finder app that can be utilized through the STARLINK multimedia system. Most charging stations have a level 2 (240 volt) charge port available for faster charging durations. According to the Subaru website, the hybrid Subaru Crosstrek has a range of up to 480 miles when it combines gas and electricity.
